Garret,

You are one of the nicest and one of the cutest boys I know. I enjoy having classes with you. I hope in the years to come we will have alot of good times together. The floats this year are going to be great! Stay sweet and charming, good looking, athletic, and keep your personality up. You will go a long way in life! Good luck in football, basketball, and all the girls. Love ya always

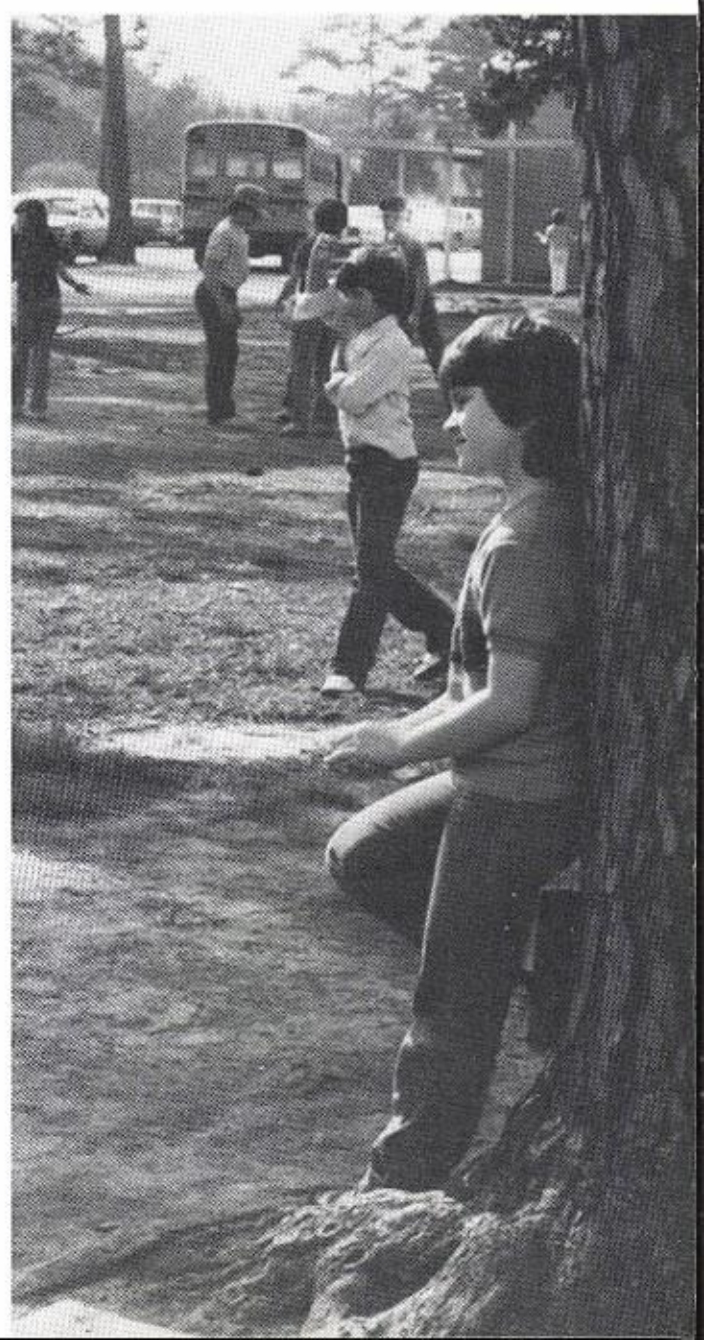
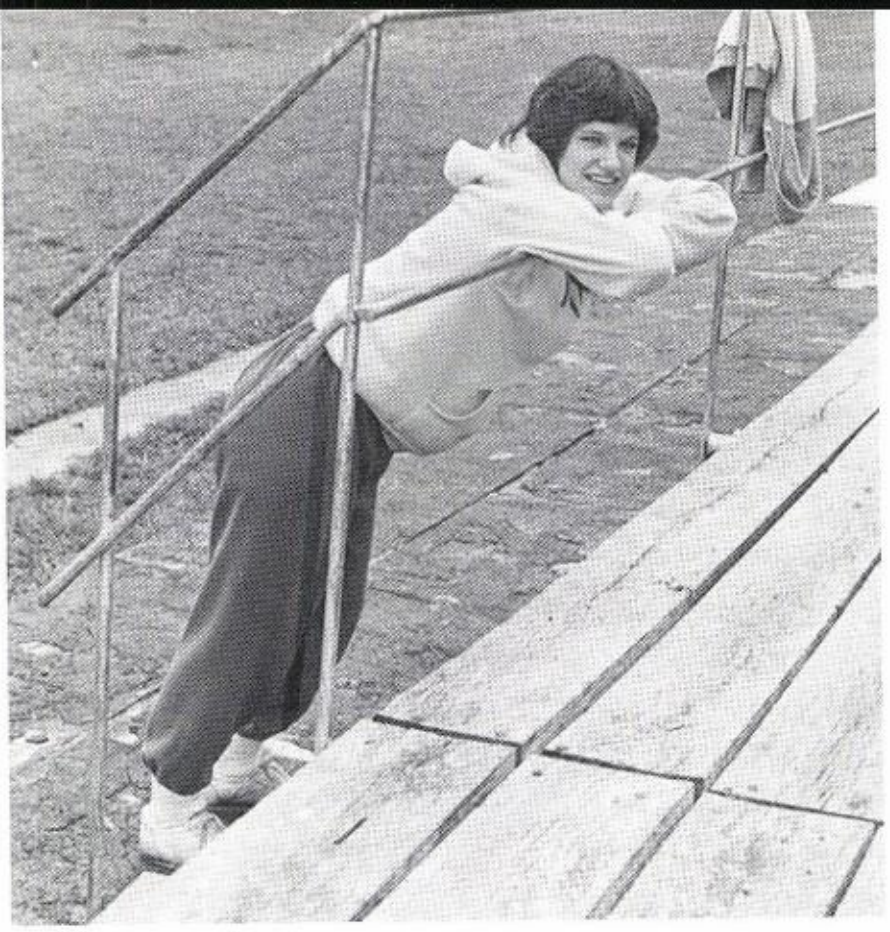
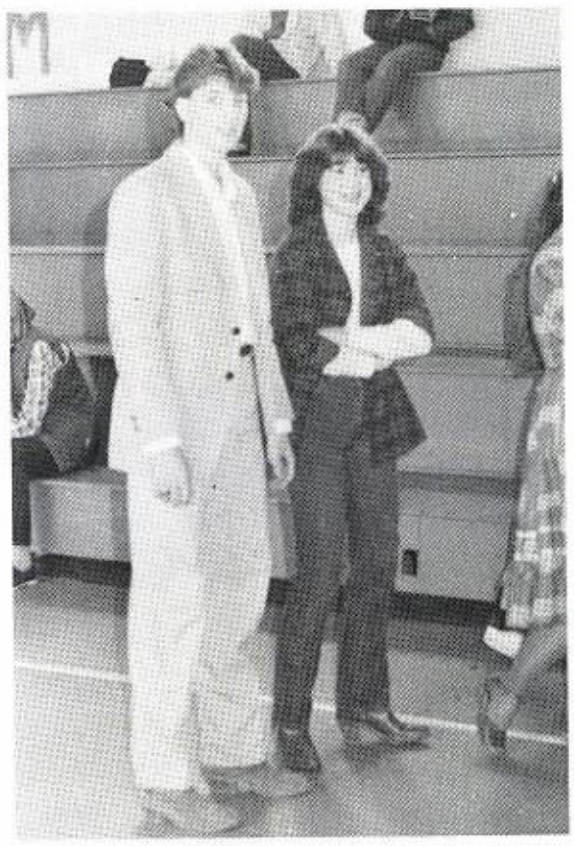
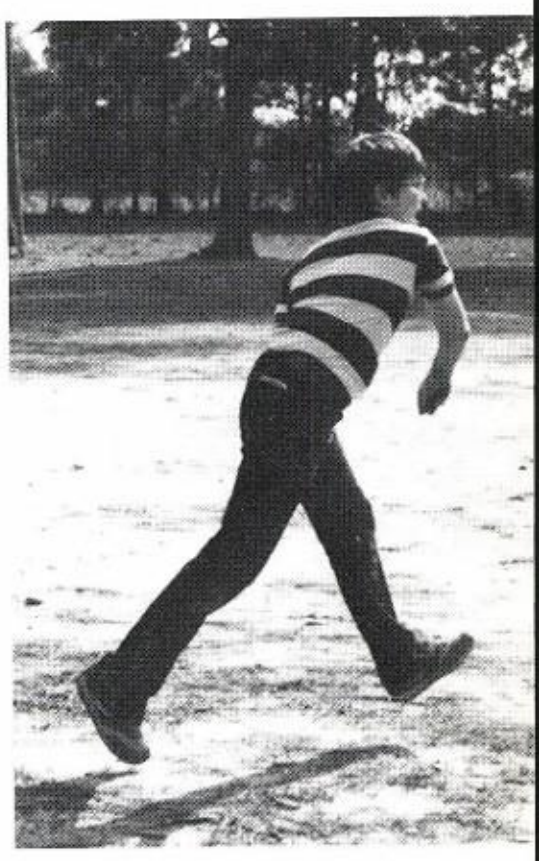
FOREWORD

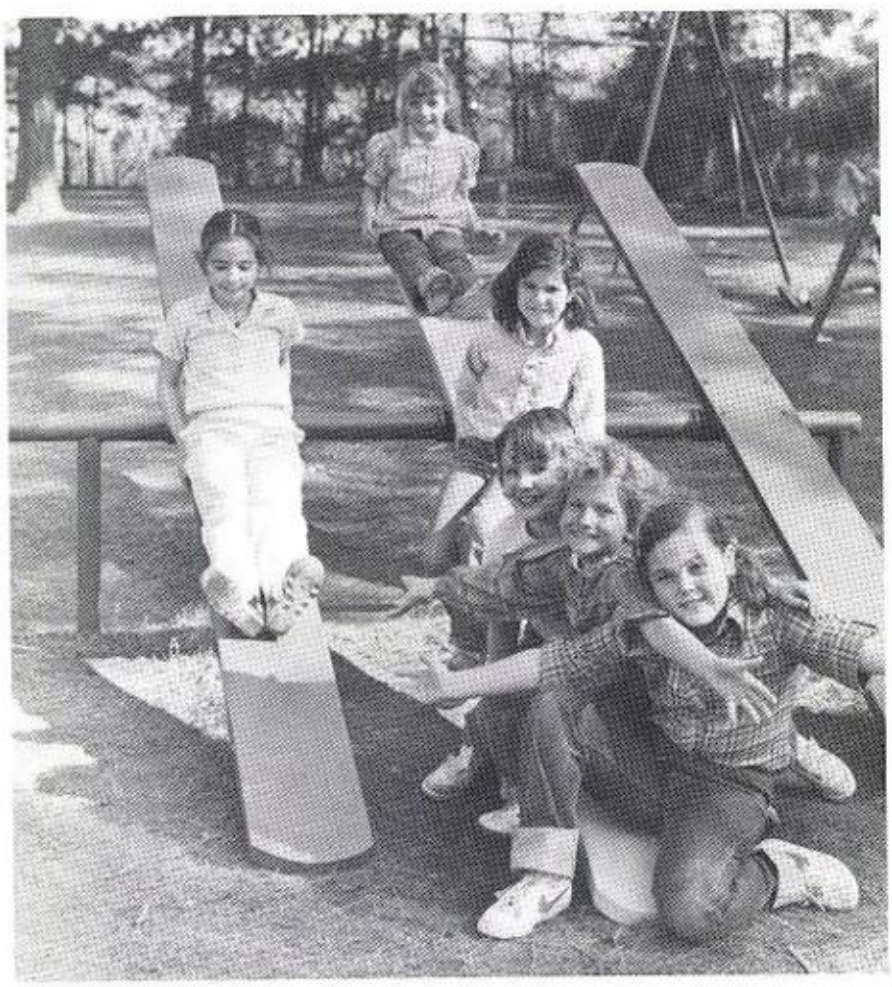
The number thirteen has long been associated with bad luck and evil. Many office buildings and hotels omit thirteen when numbering floors and rooms. However, Prairie View Academy is proud of its thirteen year history and has designated this a lucky year in spite of superstition. Luck alone does not account for PVA's growth and development over the past thirteen years. Instead, it has been a combination of hard work and dedication on the part of faculty, staff, parents, students, and the community as a whole which has resulted in the successes of today. All of us can point with pride to a year of achievement in both academics and athletics. Students have earned high marks statewide at rallies, conventions, band competitions, and on the playing field, not only for their skills, but also for their conduct. 1983 will always be remembered as the "Spartans' Lucky Thirteenth."



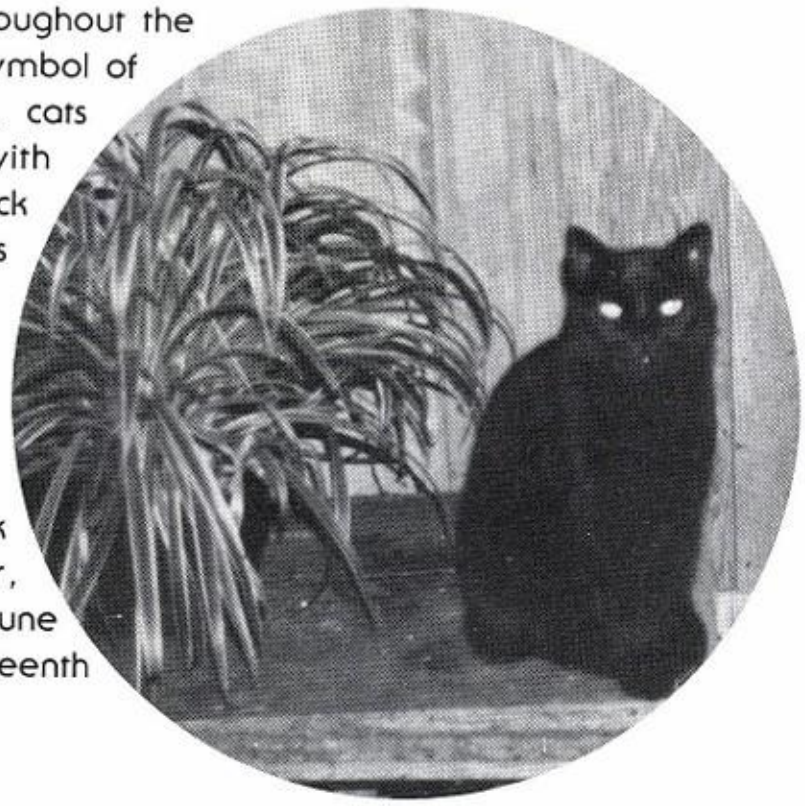


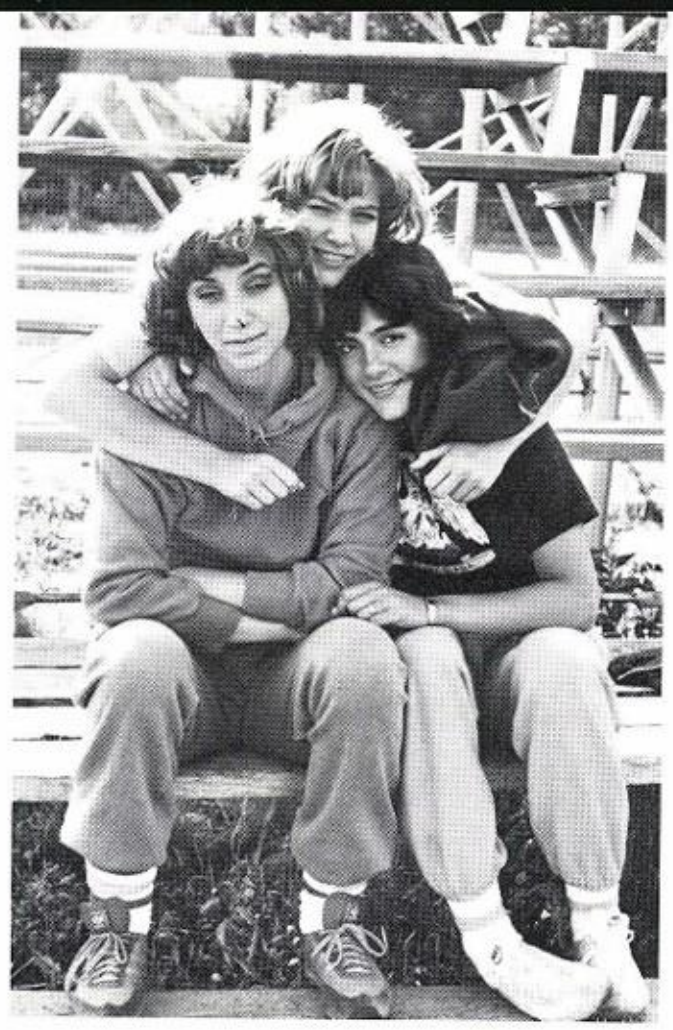


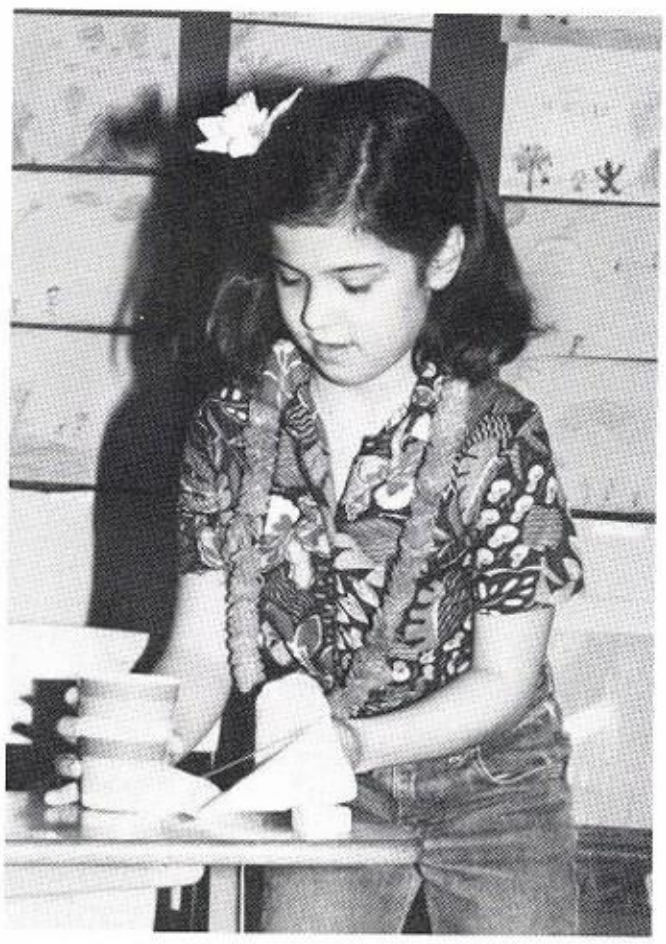


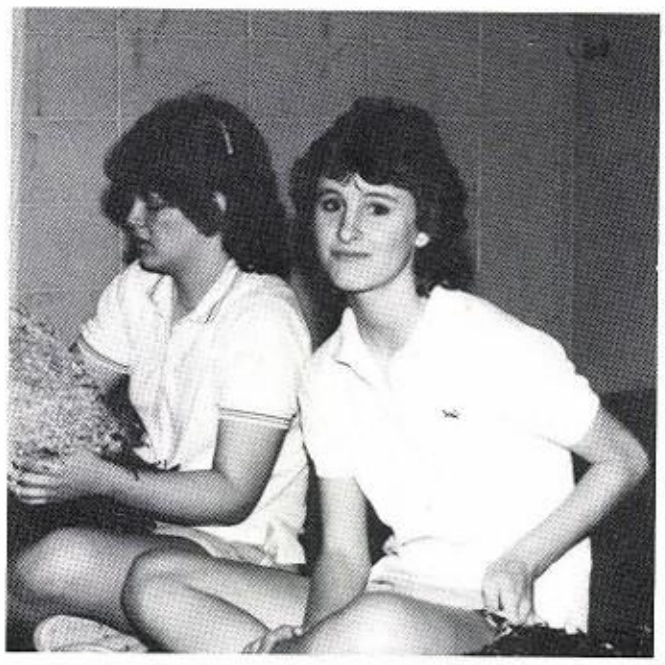


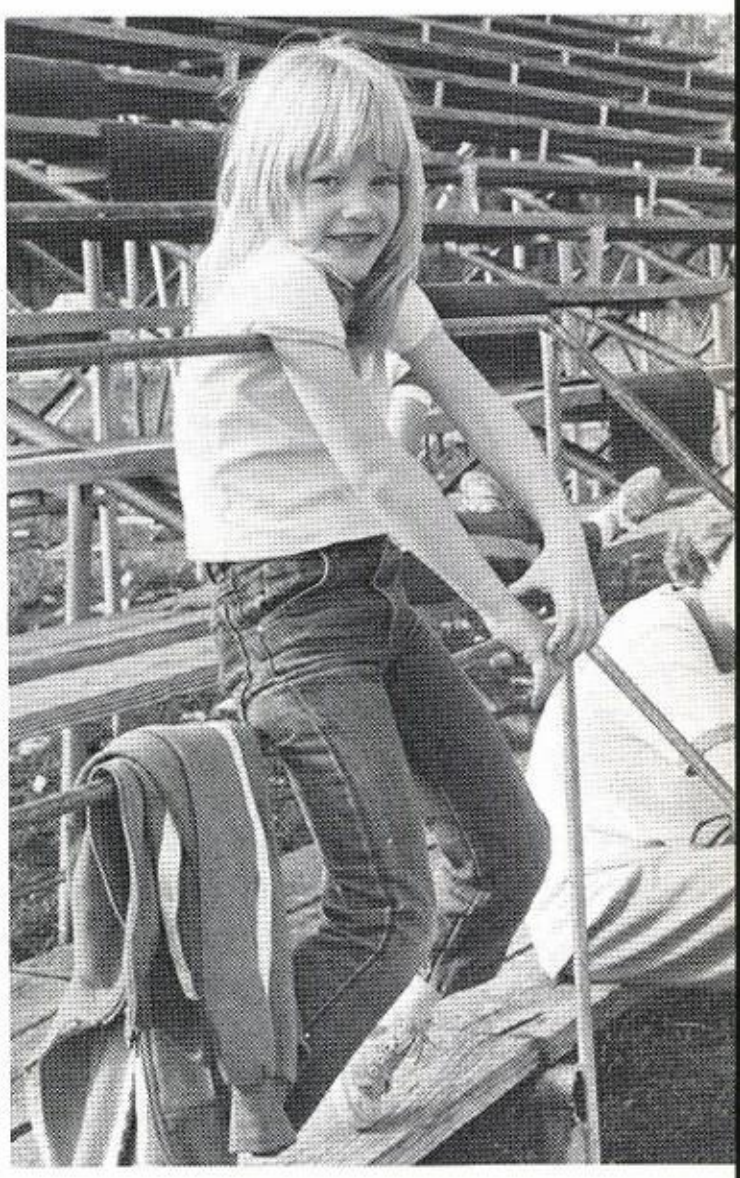
The cat has been used throughout the '83 Spartan yearbook as a symbol of PVA's good luck, Historically, cats have been connected with witchcraft and magic. A black cat crossing one's path is considered especially unlucky. This superstition stems from the belief that each witch had a personal demon, called a "familiar," which usually inhabited the body of a black cat. Our cat, however, symbolizes PVA's good fortune and success in our Lucky Thirteenth Year.





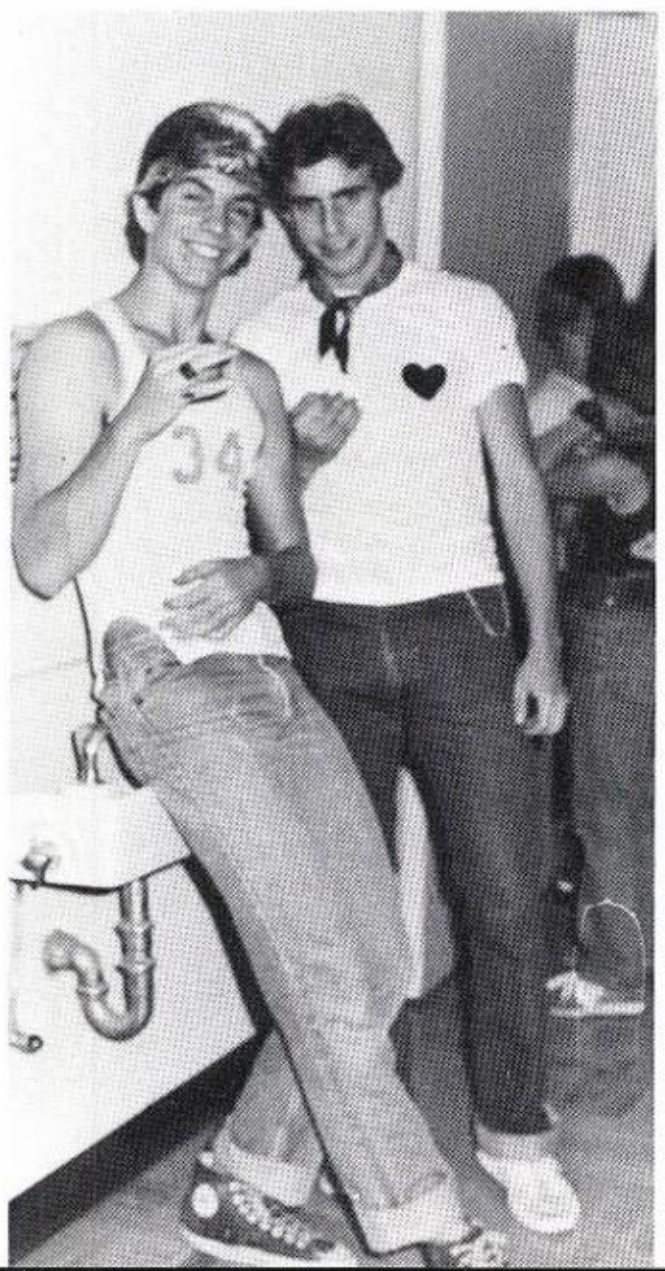




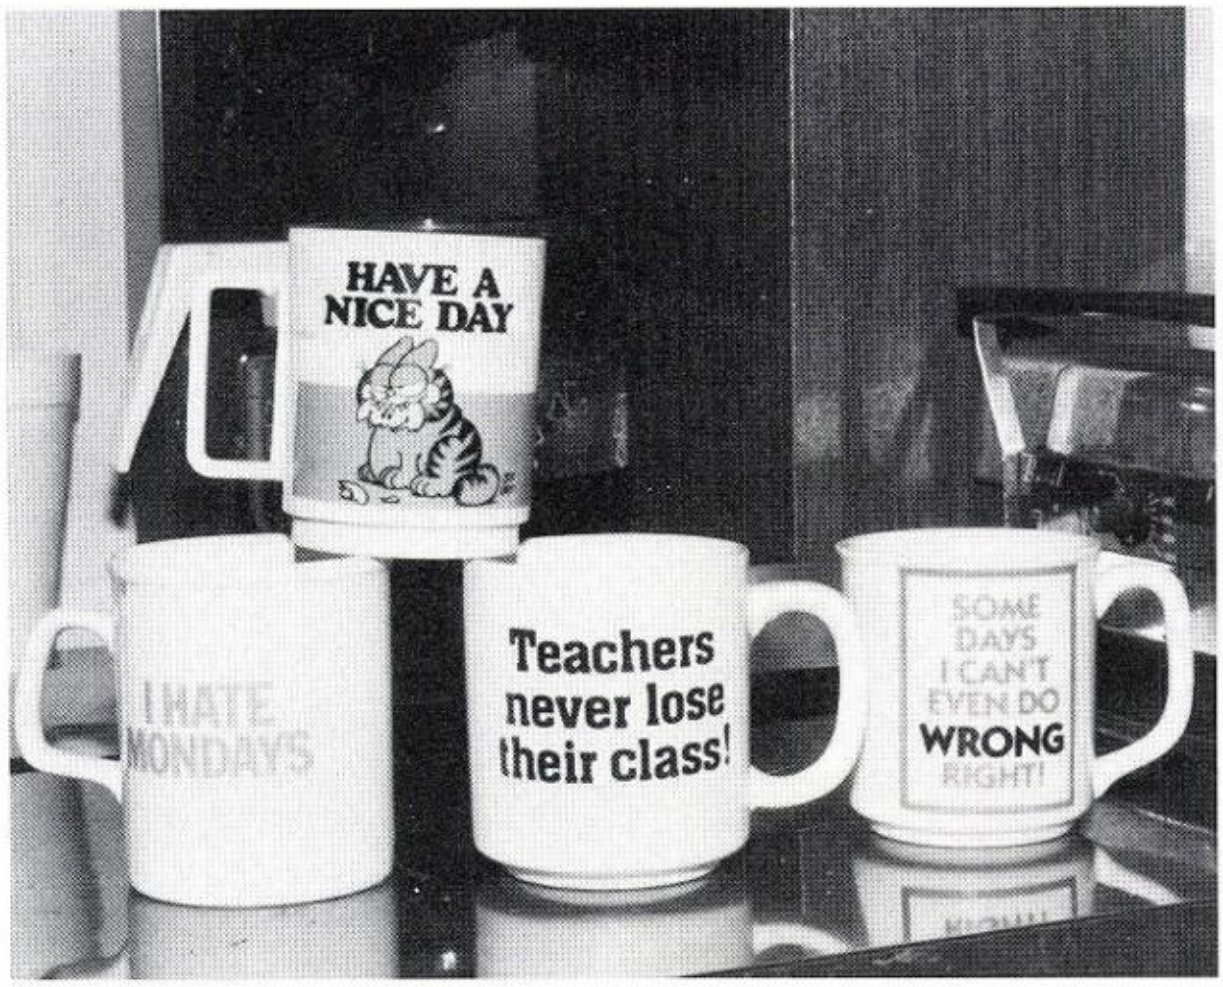


TOTALLY,
FER SHURR!

PVA VALS AND DUDES

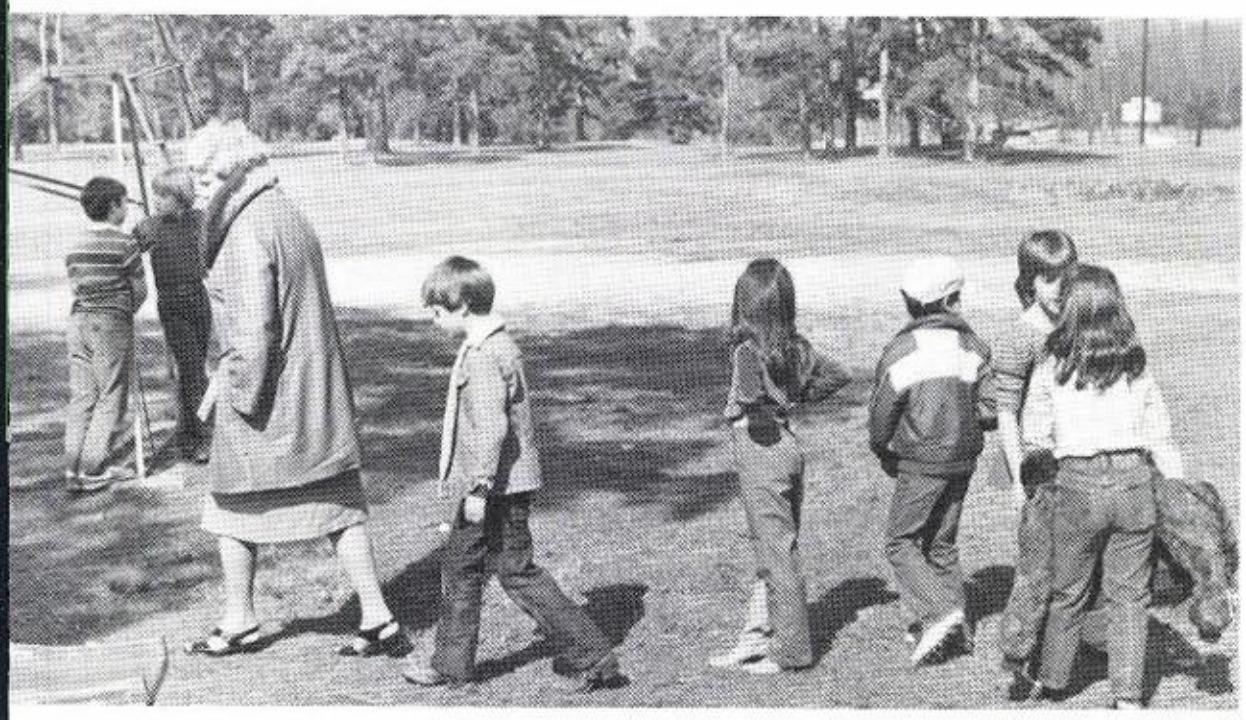


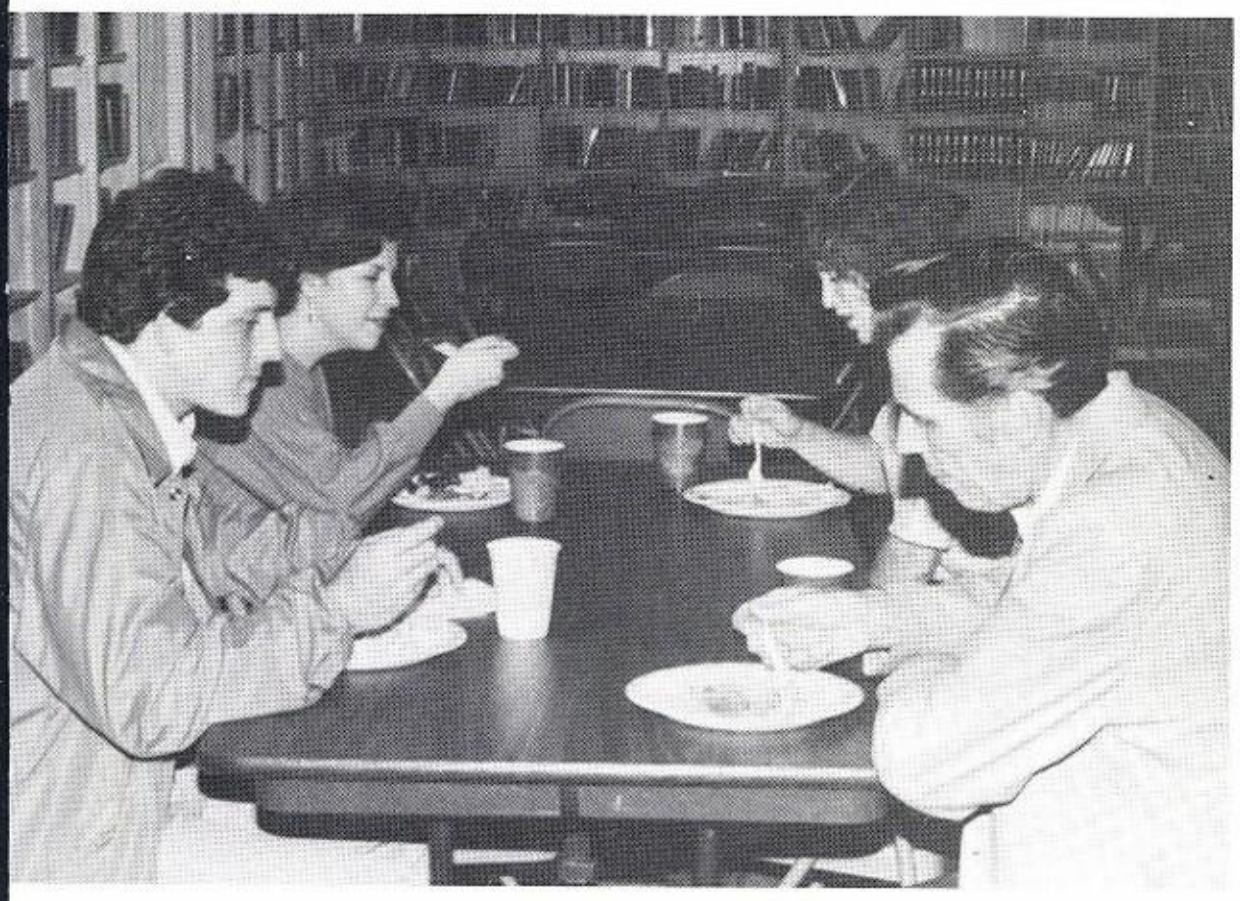
PUNK OUT



Opening an umbrella indoors is bad luck! This common superstition has an unknown origin in the past. The most popular explanation is that one is in danger of having an eye "poked" by umbrella spokes in the confined space inside a house.

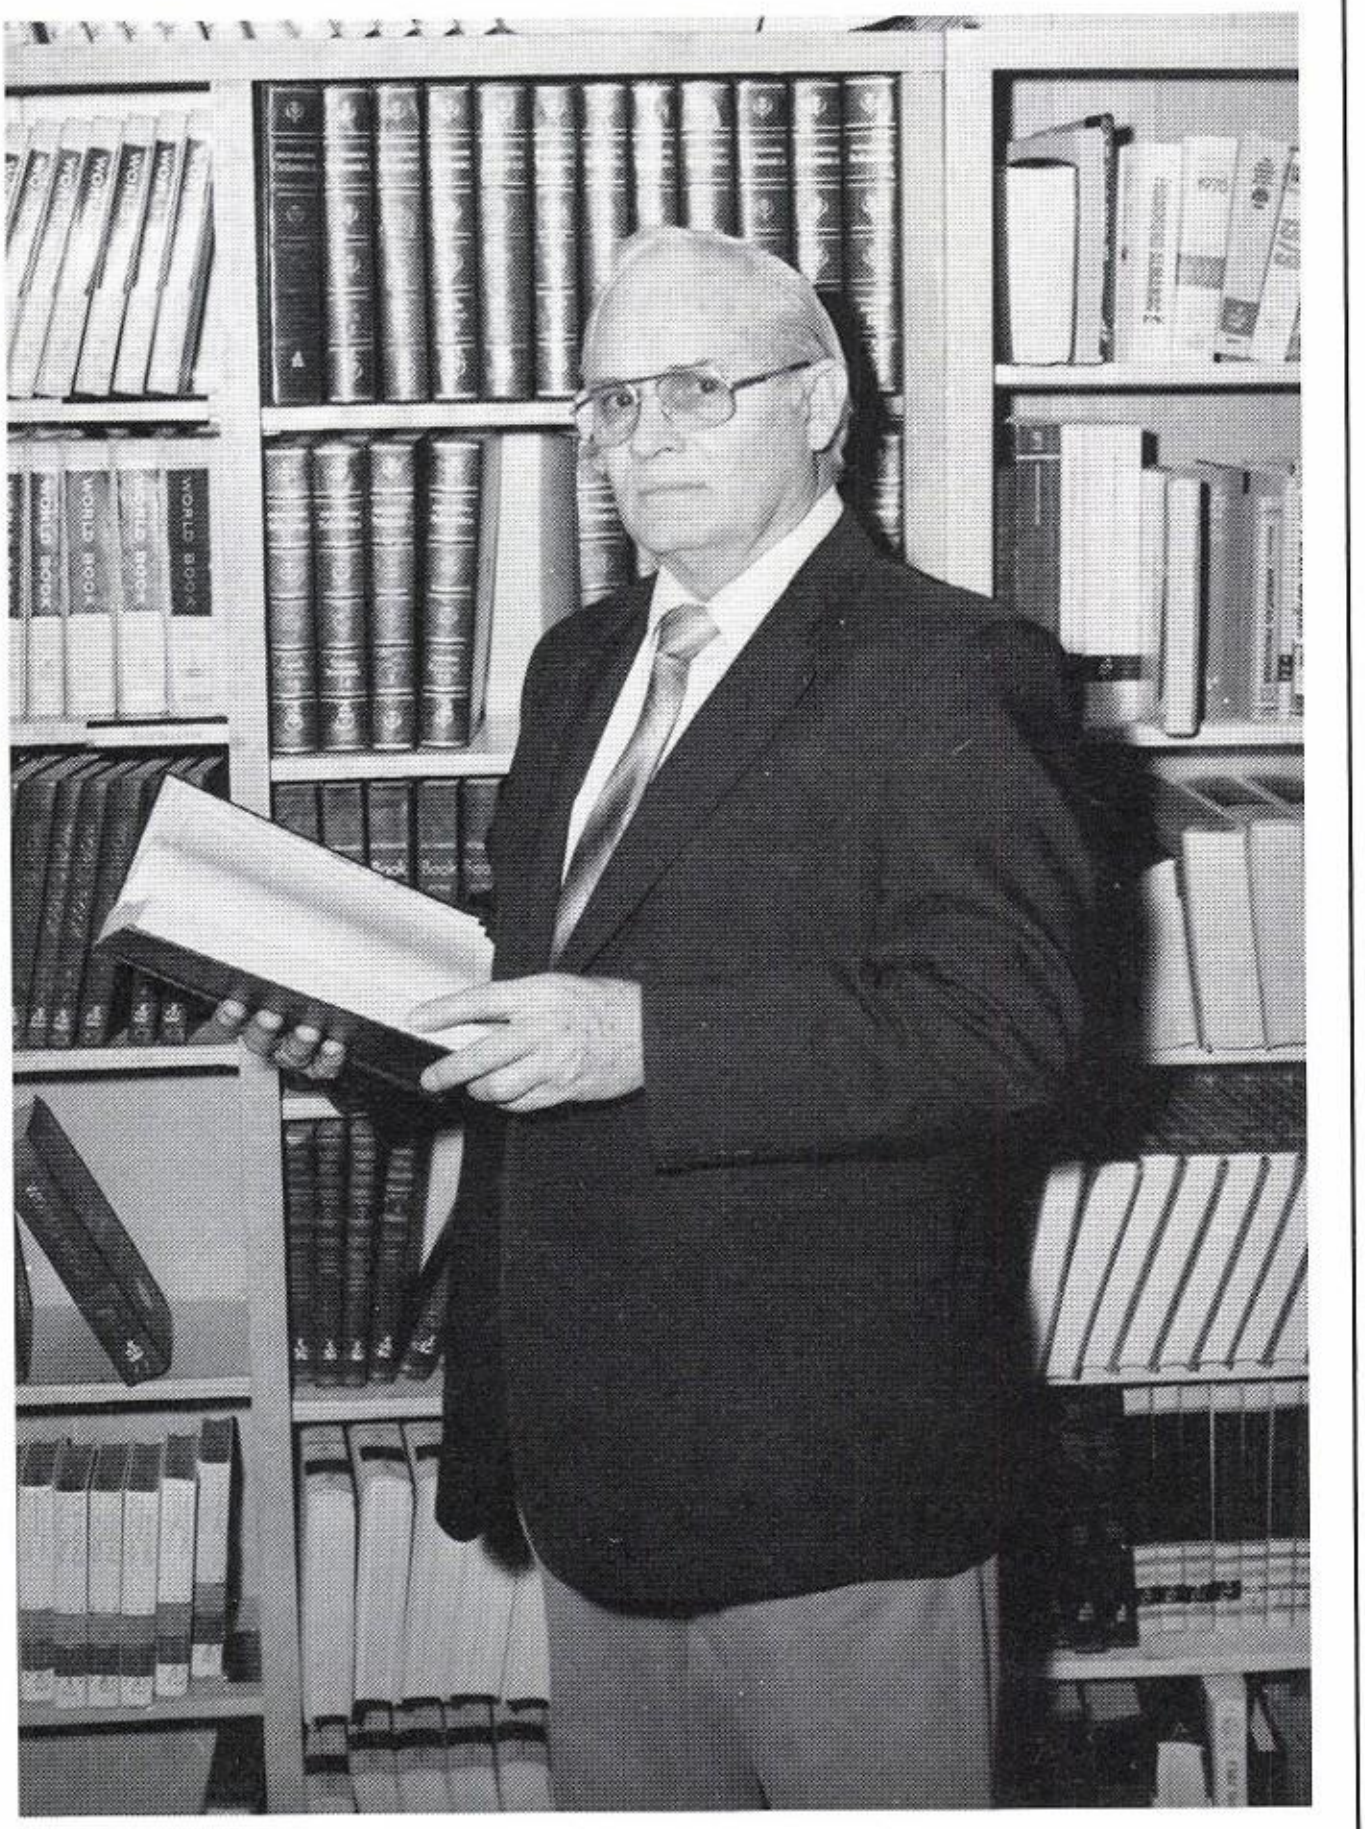
FACULTY





PRINCIPAL

The administrators bear the responsibility of keeping Prairie View Academy running smoothly day after day. Without the hard work and dedication of the Board of Directors, the secretaries, and the principal, we could not enjoy the facilities and opportunities provided us by our school. Our administrators should accept a large share of the credit for the many accomplishments of this our Lucky Thirteenth Year.



Principal's Message

Establish goals, set priorities, and strive for excellence. Thus you are a success.

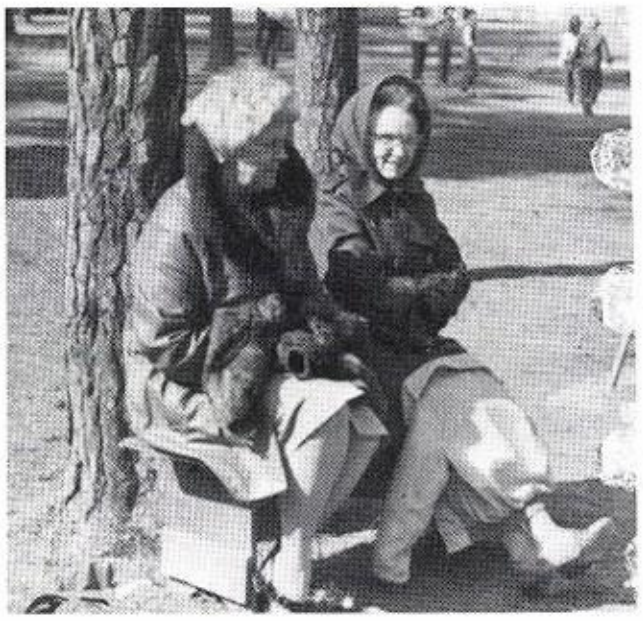
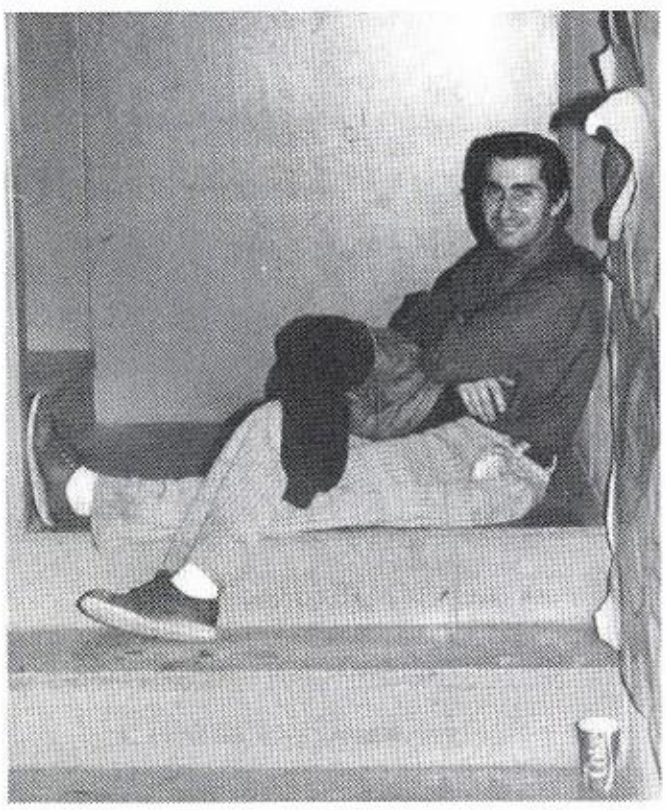
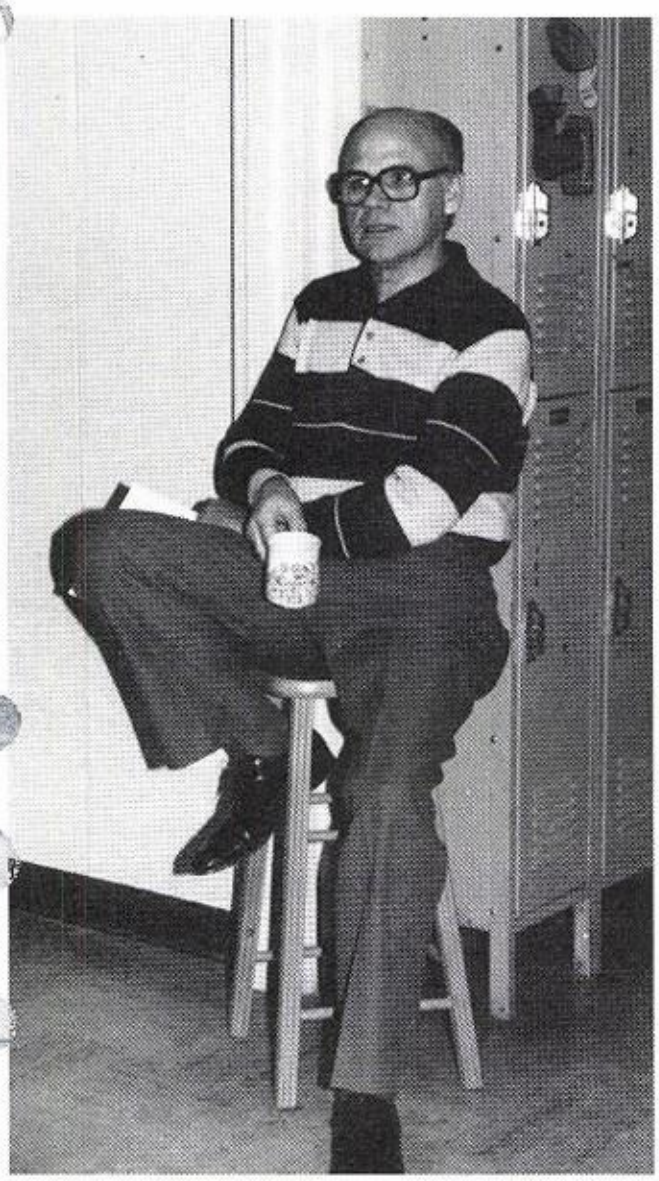
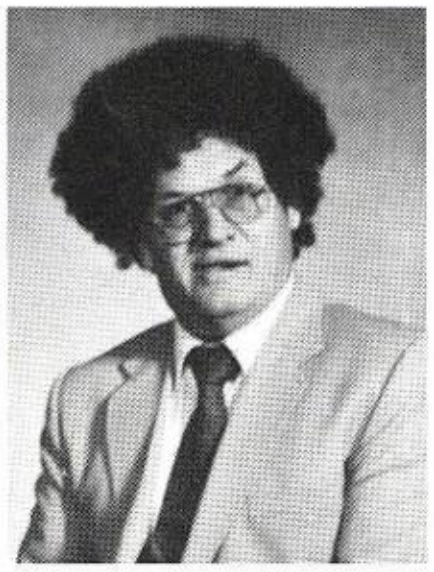
PVA

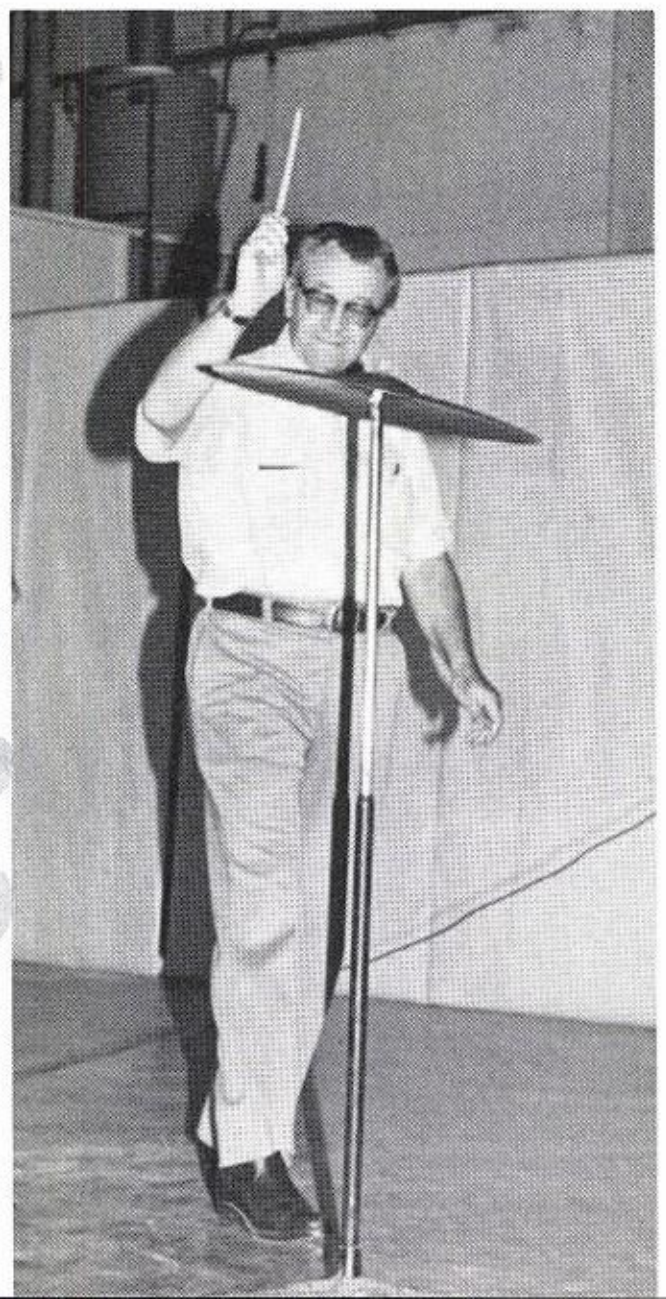




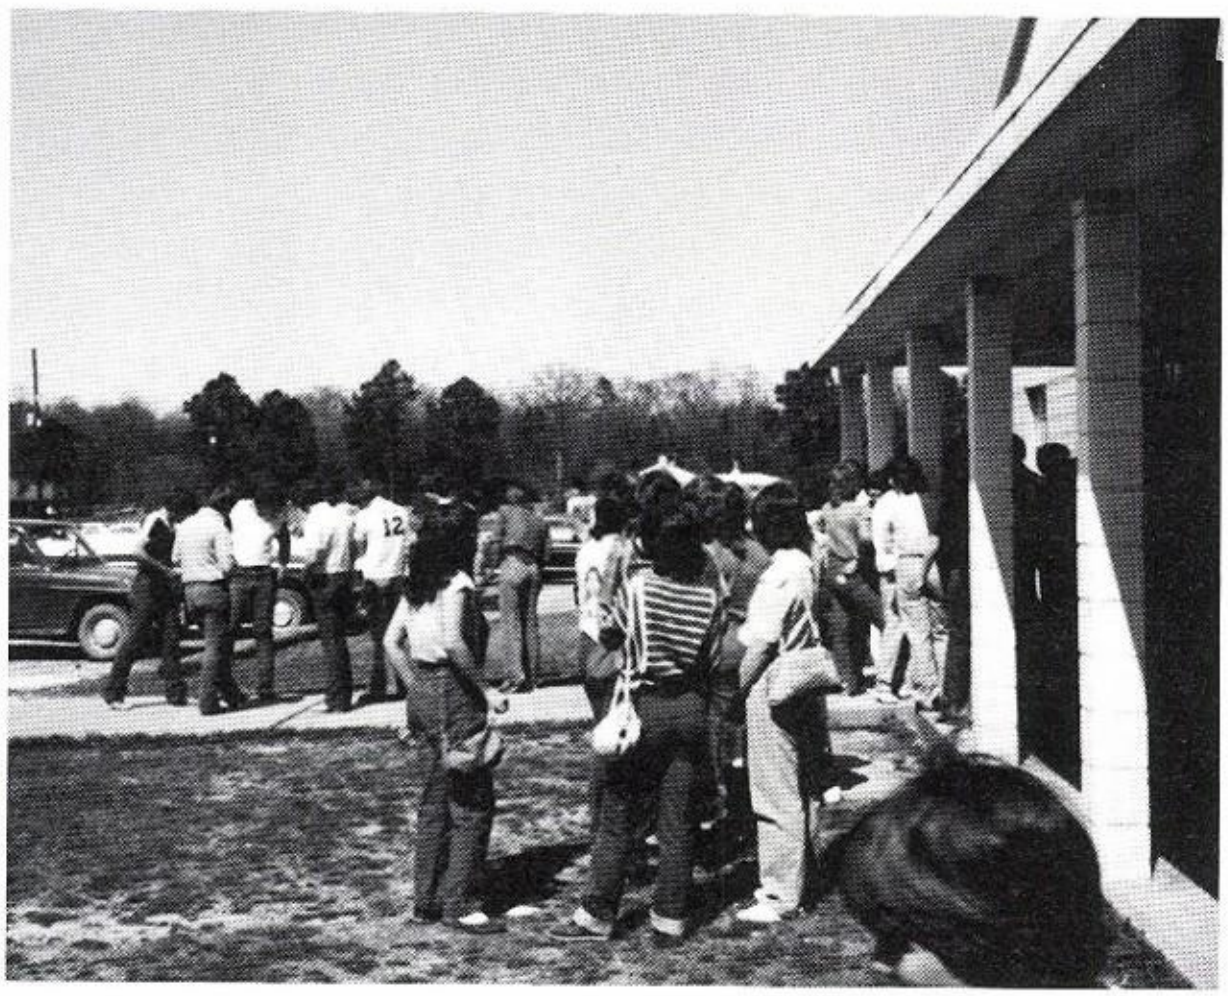
Teaching extends beyond the classroom







The Spartan Staff extends best wishes for the future to Dr. Brantley, Mrs. Fondaw, and Mrs. Morrison who are leaving us this year. Thank you for your dedication to PVA. We will miss you!



Finding a four-leaf clover is good luck. This superstition has its roots in Ireland, home of the shamrock. Shamrocks and common clovers usually have three segments in each leaf, so finding one with four sections is rare, bestowing good fortune on the finder. Shamrocks are also a favorite hiding place of leprechauns who give wealth to anyone who captures one of the "wee folk."

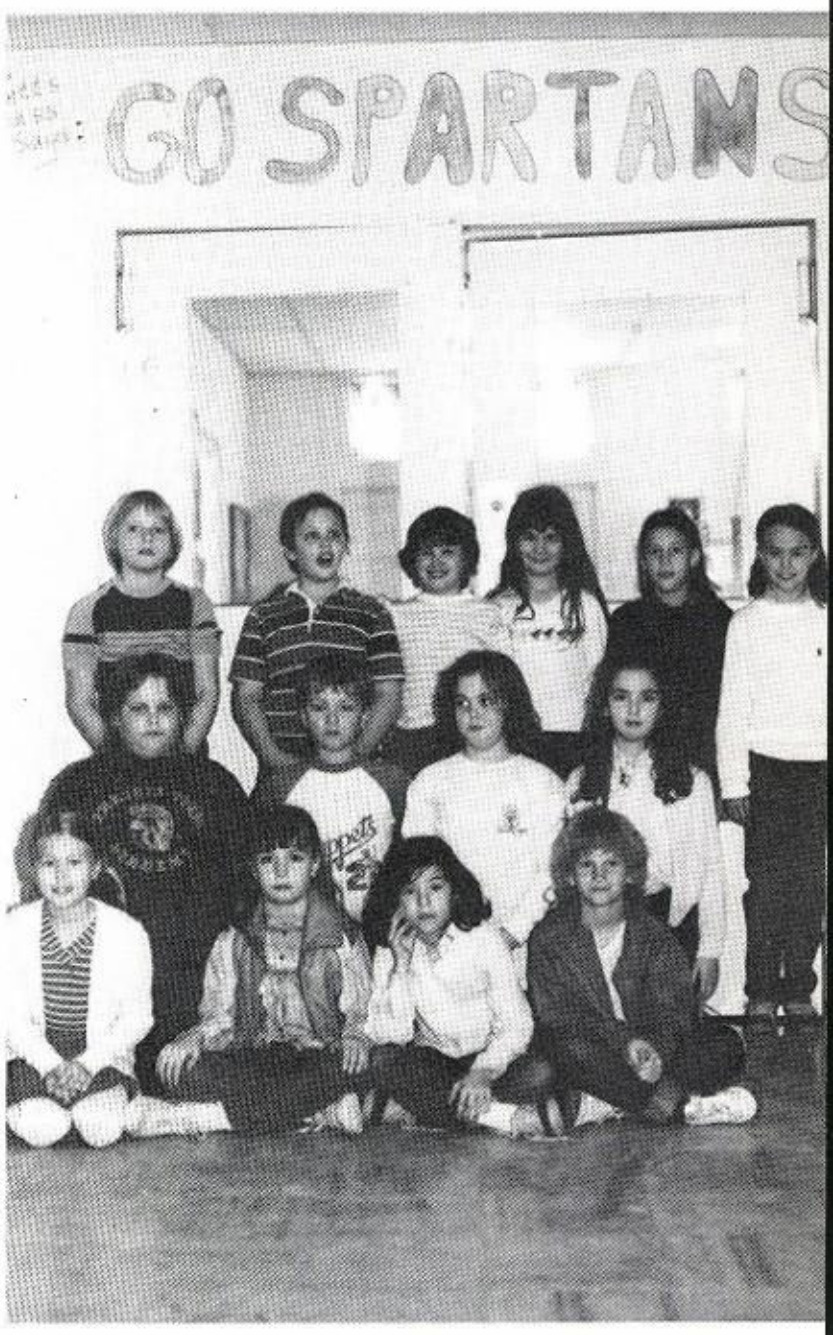
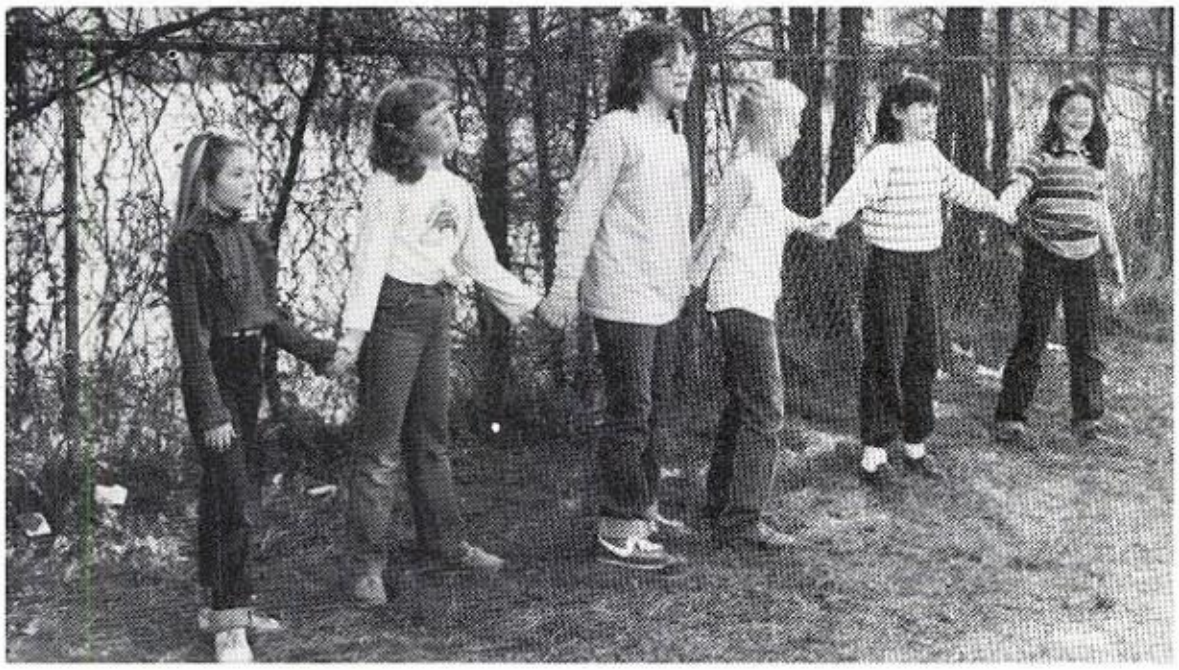
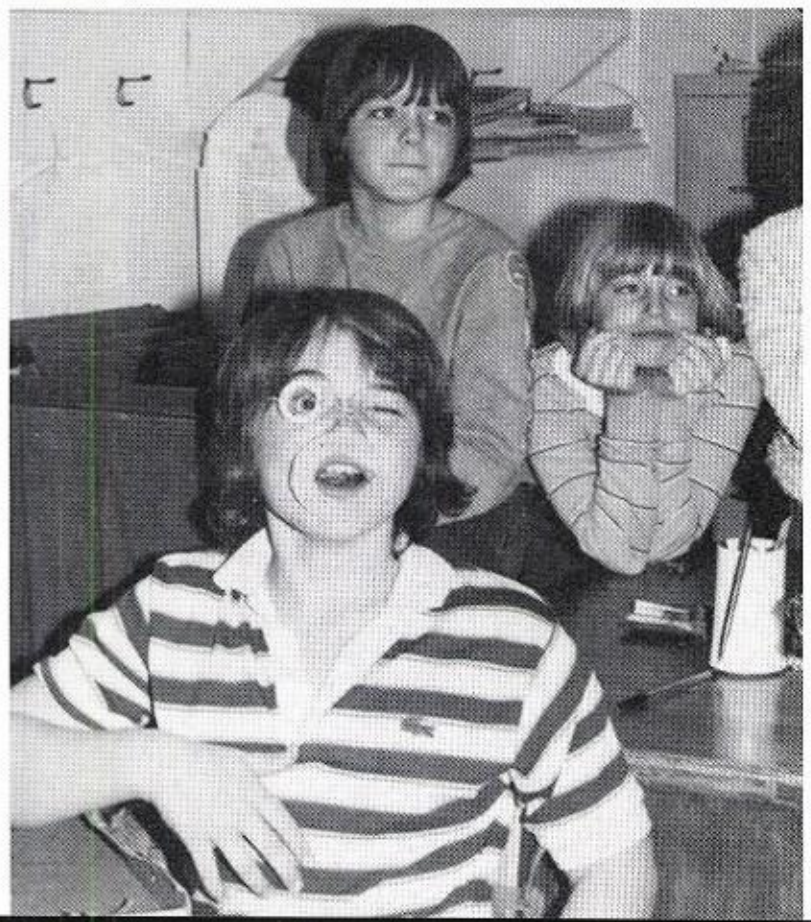
ELEMENTARY

FUN







Spilling salt is bad luck. In Leonardo da Vinci's painting, The Last Supper, Judas has knocked over the salt in a gesture of horror when Christ tells of his impending betrayal. Salt was a valuable spice in Biblical times. In the Middle Ages, salt was used to mark one's place in hierarchy; those of nobler birth sat "above the salt" while commoners sat "below the salt." Spilling salt meant the loss of some of the valuable commodity. To avert bad luck, throw several grains of spilled salt over the left shoulder.

During the '82-83 school year, the Student Council took a more active roll in campus and civic activities. Fall was a busy season with spirit ribbon sales, dances after all home football games, and decorating for Homecoming — Our Lucky Year. Six delegates from P.V.A. went to the LISSCA convention in Monroe and took time off from dancing to the "Gilded Garter" and "Fresh" to win three trophies in statewide competition — Amy Moeller for an extemporaneous speech, Jennifer Lee for timed theme writing, and a second place for nametags. The club then hosted a Thanksgiving luncheon for the faculty and sponsored the Christmas door decoration contest. In March, members collected money on the square and gave a benefit dance for Shamrocks Against Dystrophy. The year wound down with officer and representative elections, and new members are looking forward to another terrific year.

Cries of "Air raid!" filled the gym as the National Honor Society initiated new members. The inductees, dressed in military garb, hit the floor and began shooting at imaginary airplanes. In a candlelit ceremony, the initiates were charged with the duty to maintain the organization's high ideals of scholarship, good character, leadership and service. After induction, family and friends congratulated members. Also, the Parents and Friends Club of PVA recognized old and new members at a luncheon held during school hours.

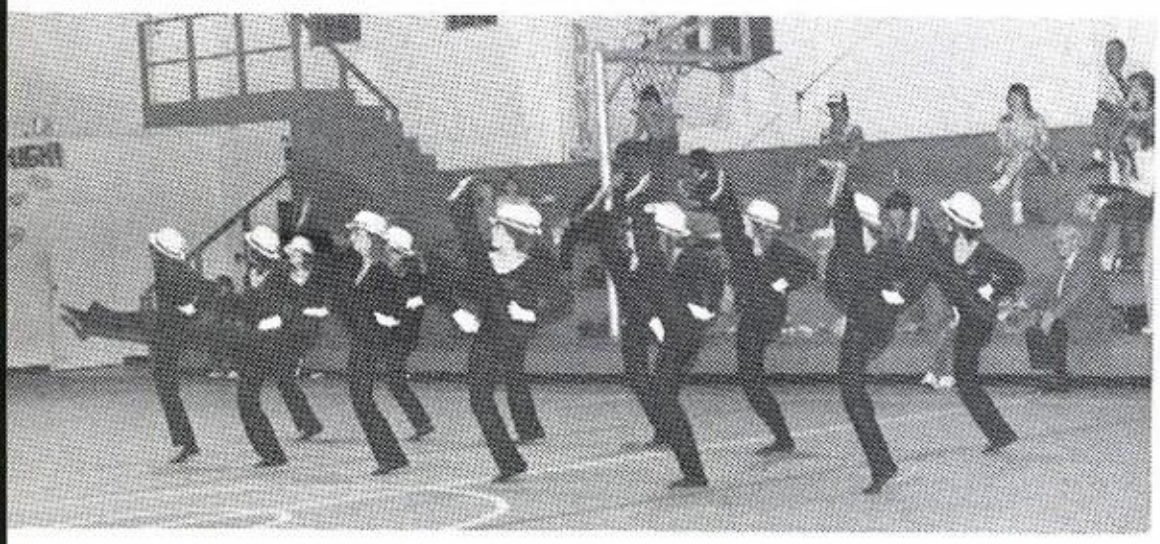
PRANCERS



Fans chanting, "Peel, Bananas, Peel," signaled time for the Prancers to take the field during football season. In addition to their dance routines in the fall, the group entertained the crowds at basketball games in the winter and entered a float in the Bastrop Christmas parade.

Speech I and II kept PVA entertained through our Lucky Year, producing such deep dramas as Christmas at the O. K. Corral and the Gong Show. Students also visited elementary classrooms with stories and games, practiced salesmanship by peddling annual ads, and debated controversial issues of the day. Mrs. Carter's thespians brought home two trophies from the N. L. U. Speech Rally. At year's end, Ken Woodward, P.V.A. graduate and speech major, directed the players in several short plays. Throughout it all, Mrs. Carter tried to keep a straight face!

Put an inexperienced staff with a new advisor, and you get a lot of mistakes and missed deadlines. Without the help and patience of last year's advisor, Mrs. Pat Carter, the '83 Spartan would have never gone to press. The staff extends thanks to her and to the Spencer family for their many photographs. We hope you enjoy the Spartans' Lucky Year.

Never trust a staffer with a loaded camera.

Breaking a mirror means seven years of bad luck. Some cultures in the past believed that the reflection in a mirror was an image of the soul, and the Chinese hung mirrors around their houses to frighten away demons with their own reflections. Therefore, a broken mirror meant losing one's soul or allowing demons to enter the house. To avert bad luck, bury the broken mirror under the back steps.

A cricket on the hearth brings good luck to the household, and a cricket's leaving the house is a forboding of evil for family members. The Chinese had attractive brass boxes in which they kept crickets for luck. The insects seek the warmth of a house in winter, and their presence is a reminder that spring and summer will soon return.

The 1982 gridiron season was a good one for the Spartans. Under the direction of coaches Scelfo and Anthony, the team opened with a defeat of Montrose in the Jamboree. The Spartan eleven then chalked up six wins as opposed to four losses in regular season play, setting several school records in P.V.A.'s Lucky Thirteenth Year.

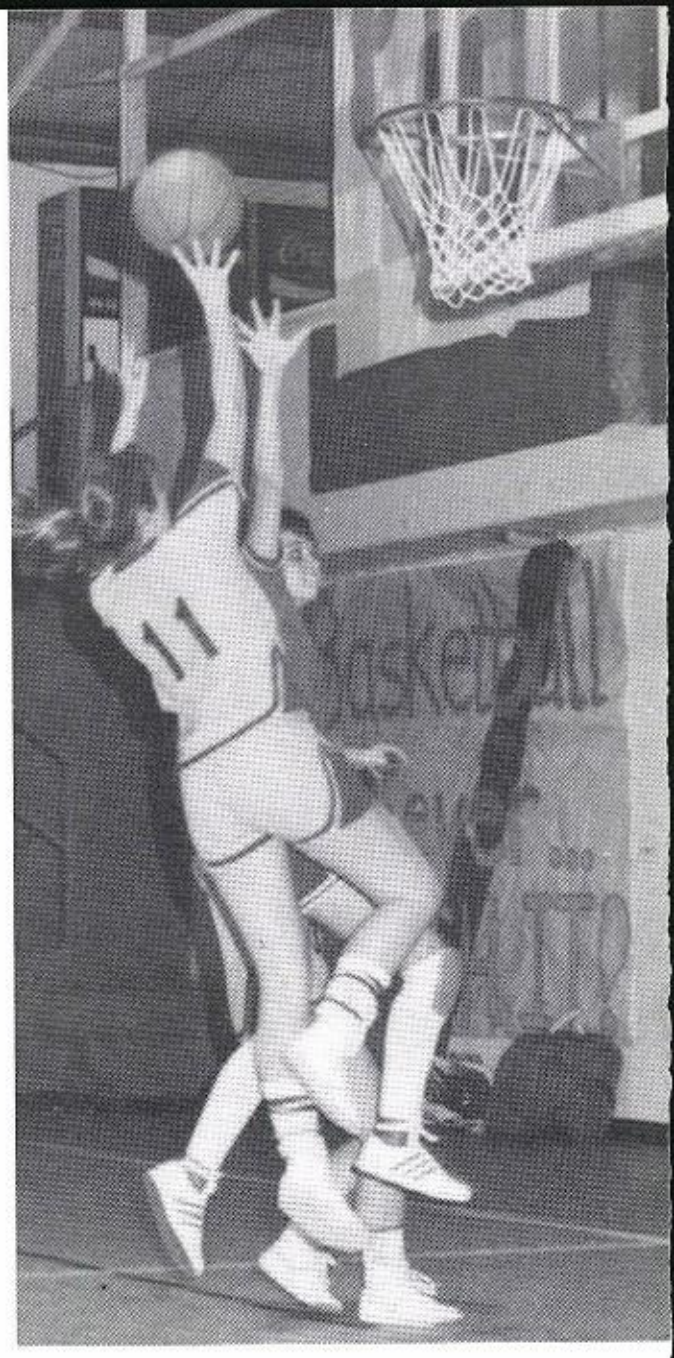
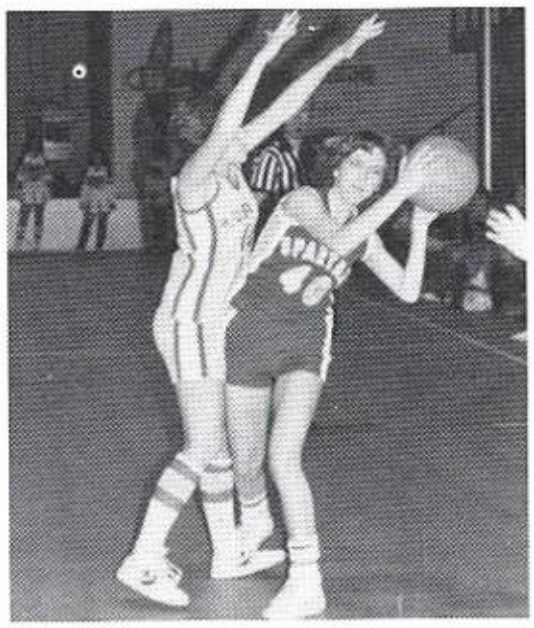
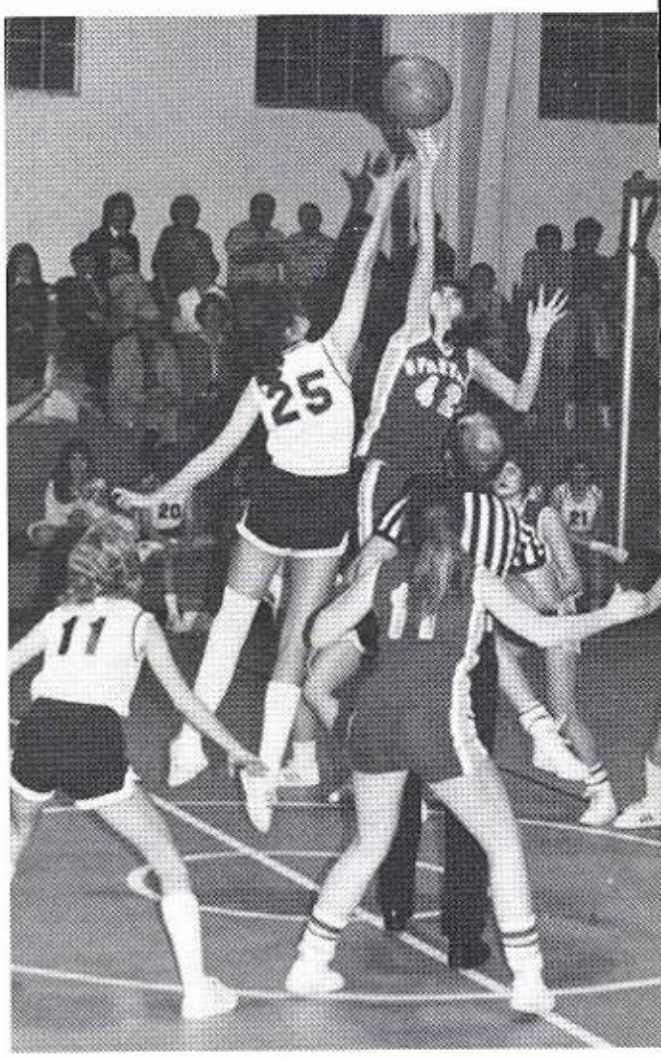
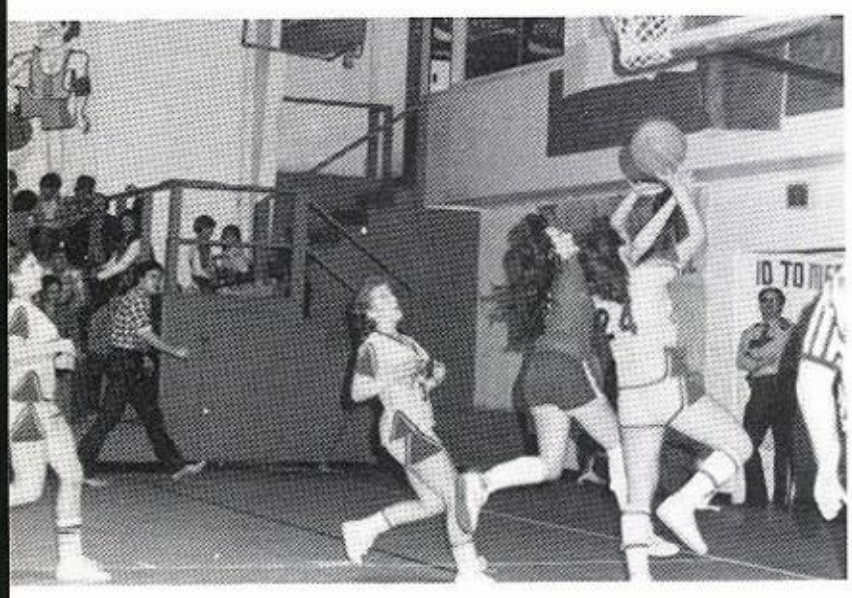
ONE MORE LOOK . . .



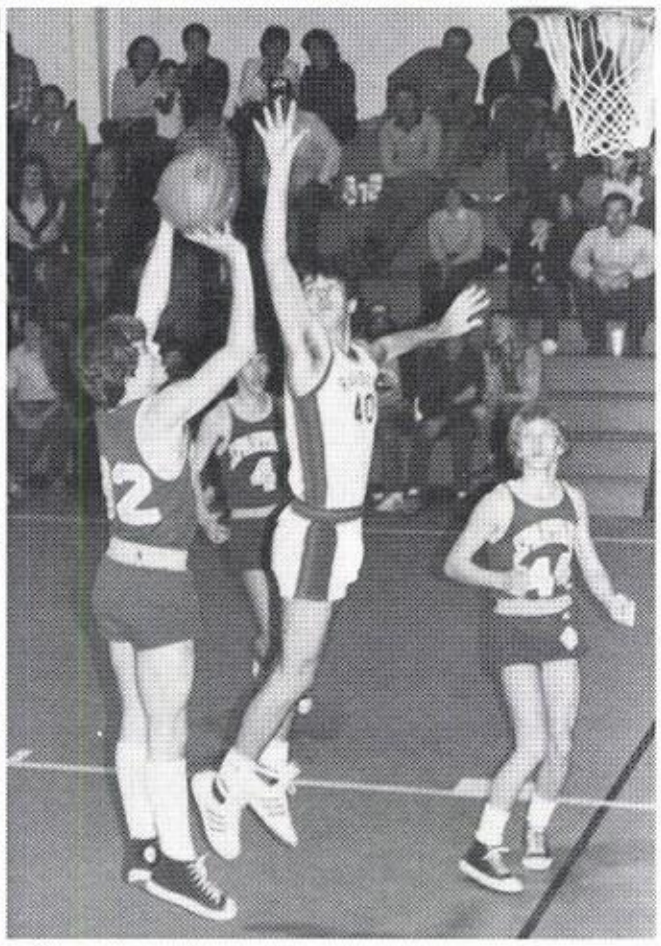


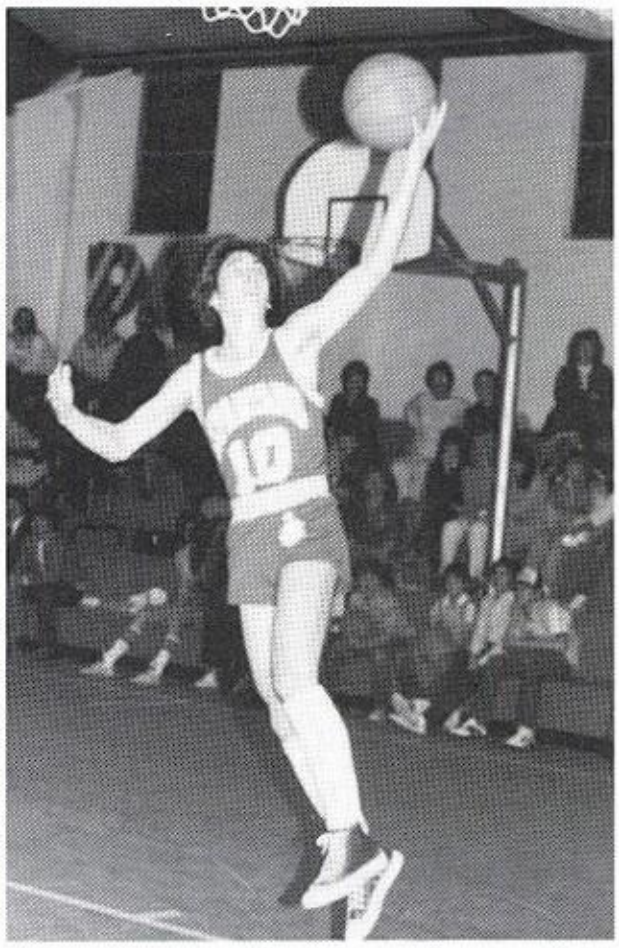


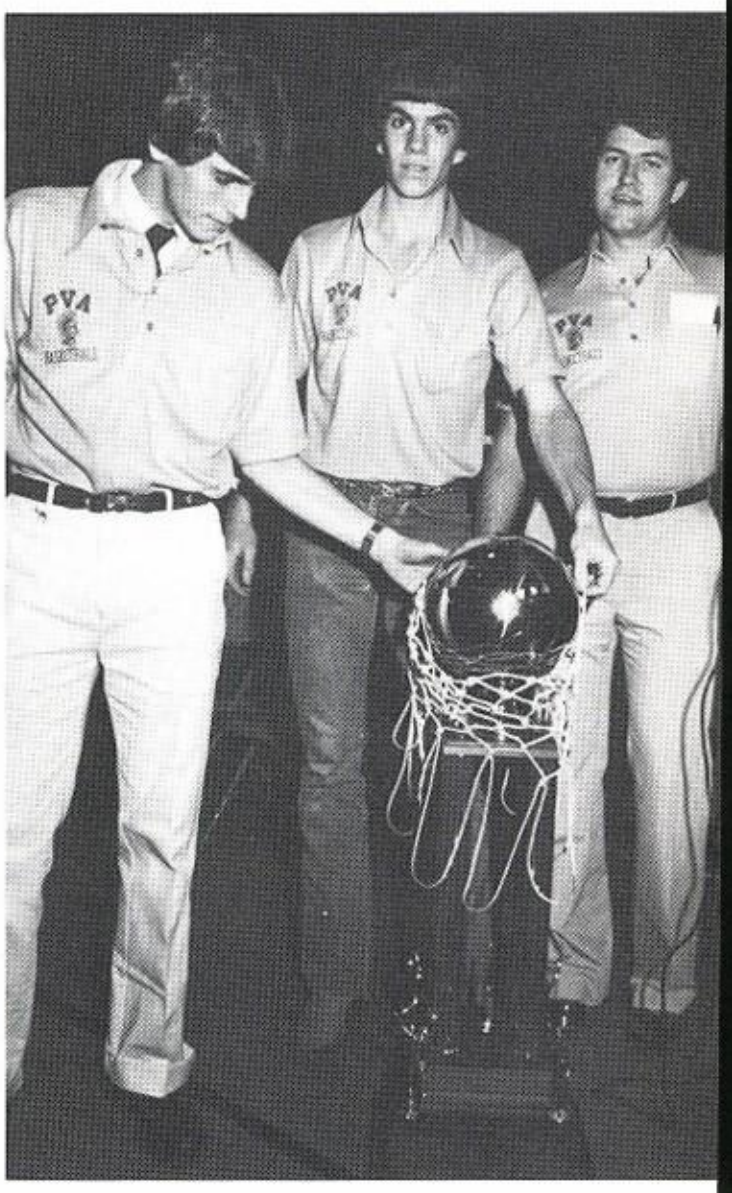


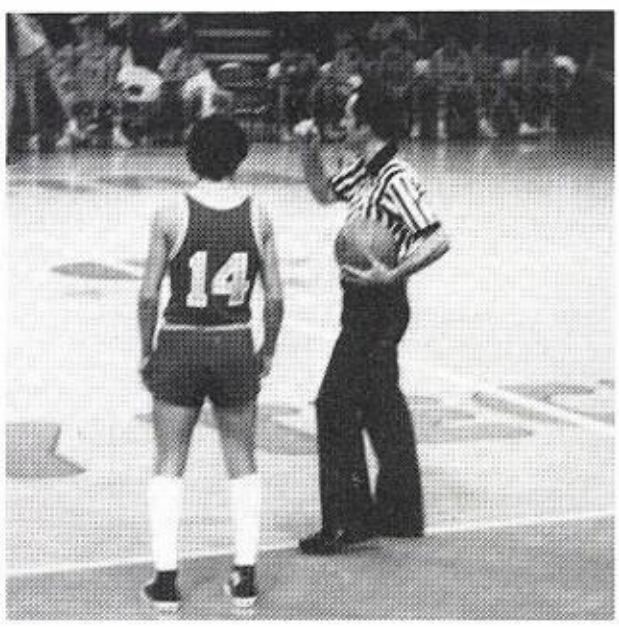
Few fans expected the young Lady Spartans to earn a berth in district, but the girls improved remarkably in skill and teamwork as the season progressed. By the end of district play, PVA's "Cinderella Team" ranked second to the powerful Huntington five.

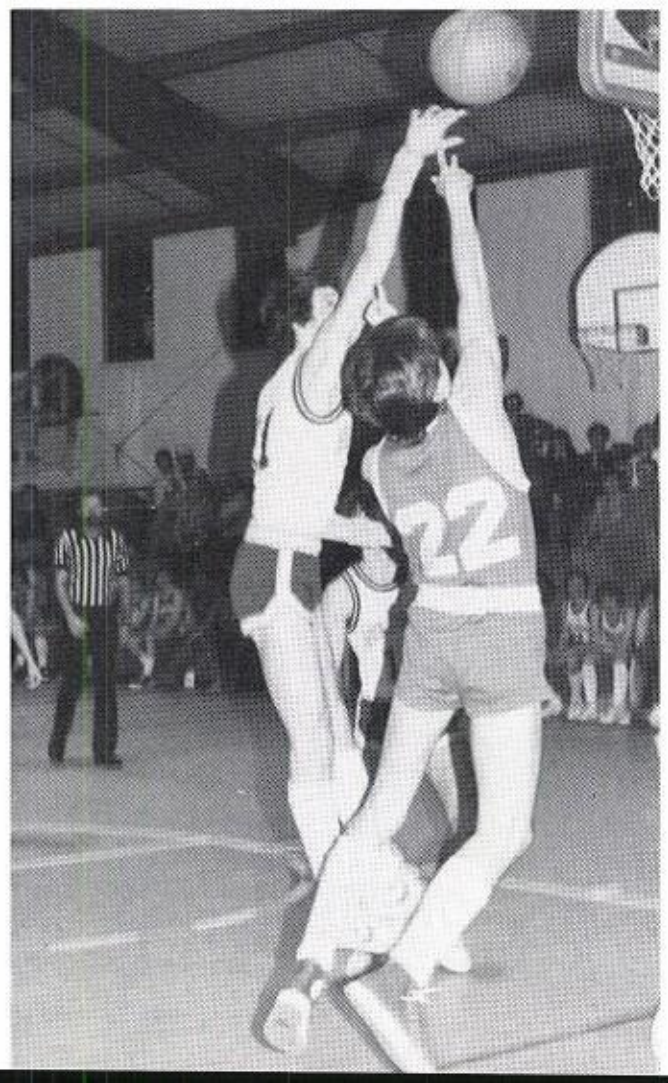
AT BASKETBALL 1982-83











The Spartan triumph in the state tournament earned a proclamation declaring Friday, March 4th, "Prairie View Academy Day." A day's vacation from school allowed the entire student body to share the victory.

Baseball added another triumph to our Lucky Year list. In a rain-shortened season, the Spartan nine emerged victorious from the tournament which determined the district champs. In post-season play, the team mowed down tough opponents Trinity Heights and Riverside, only to fall to Glenwood in Minden. PVA is proud of our State Runners-Up.

In spite of small numbers and terrible weather during track season, Mary Dale's varsity girls made their mark at state. The Lady Spartans placed second in the 800 m relay, third in the 400 m relay, and fourth in the 1600 m relay. A third in discus and fifth in the 800 open also added to team points. TRACK GIRLS

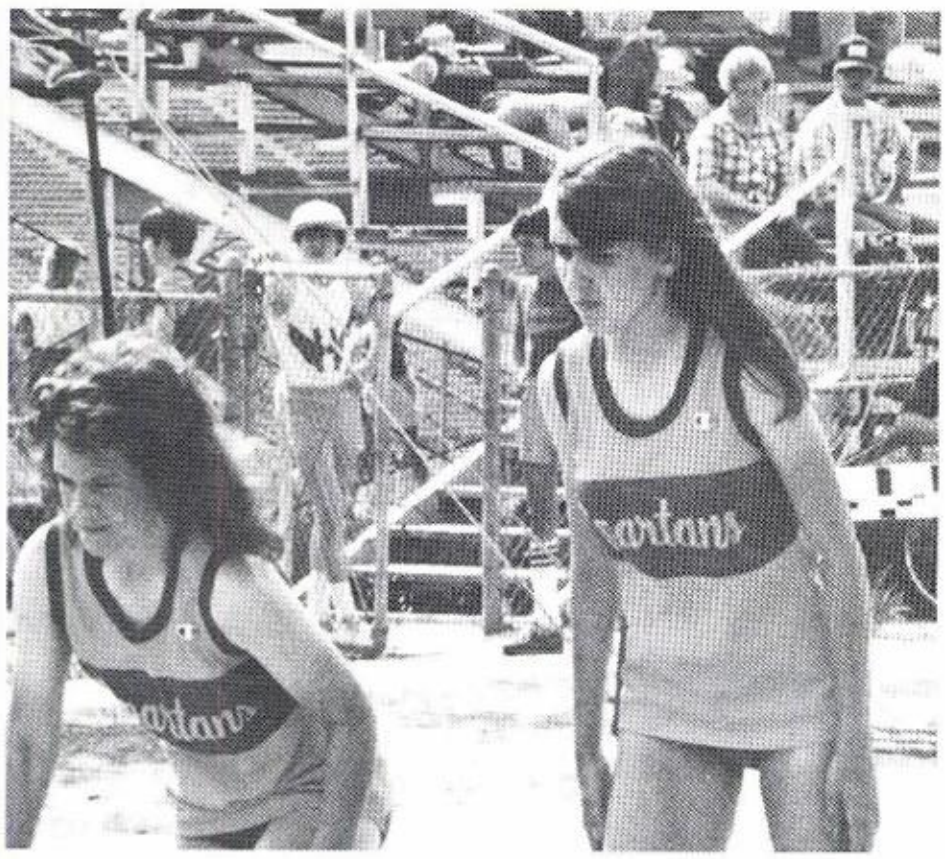
At Right: Typical spring afternoon at PVA's "track."



In spite of cold, rain and mud, Mary Dale's girls worked hard — just ask them! Hard work and sore muscles paid off, though, when the team placed high in the few meets not cancelled because of weather, then finished the year by walking away with the State Championship in Ruston.

Kneeling: Cristy Wilson, Connie Murphree, Yshanne Reynolds, Rebecca Emanuel, Lee Anne Parker, Shawn Spencer, Penny Brayn, Rachel Parker.
Standing: Ann Adams, Felicity Kennedy, Christy Carney, Sally Emanuel, Coach Mary Dale Scoggins, Jennifer Garrett, Megan Dunn, Karen Travis, Charlotte Higginbotham.

Sitting on a table is bad luck. The origin of this superstition is unknown, but it probably stems from the fact that a heavy person might well break a delicate table by sitting on it.

HOMECOMING

Under the arch of a lucky rainbow, the Homecoming Court of 1982-83 was presented to the students of Prairie View Academy. The gym was bright with flowers and decorations provided by the Student Council; and class displays dotted the football field, depicting the theme of "Spartans' Lucky 13th Year." Following the game, the Student Council sponsored a dance honoring the court and alumni of the past twelve years.

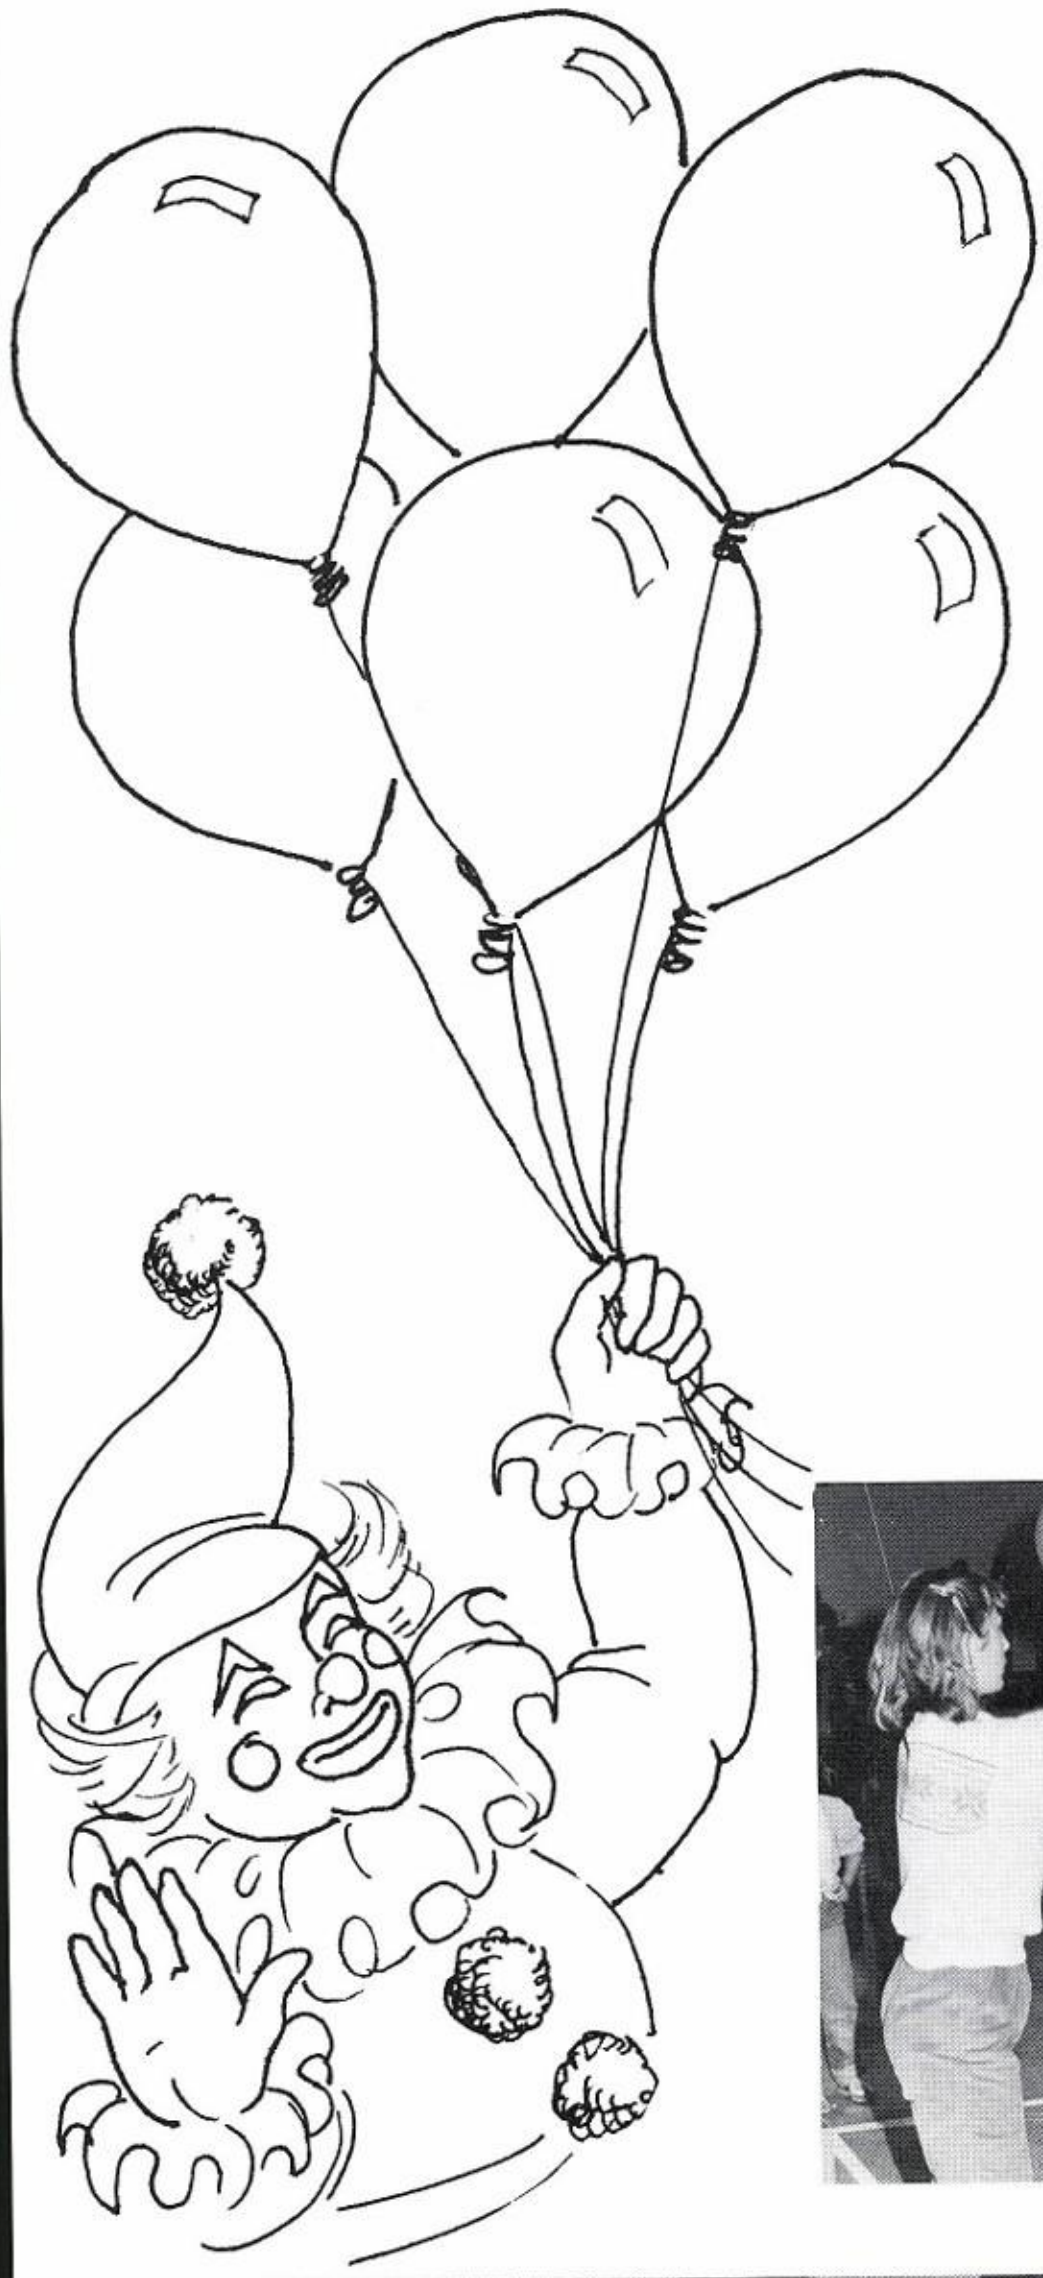
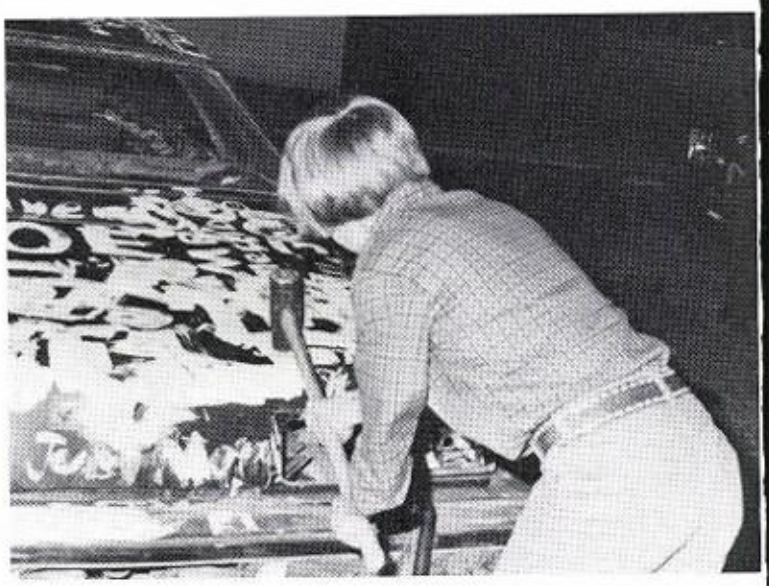
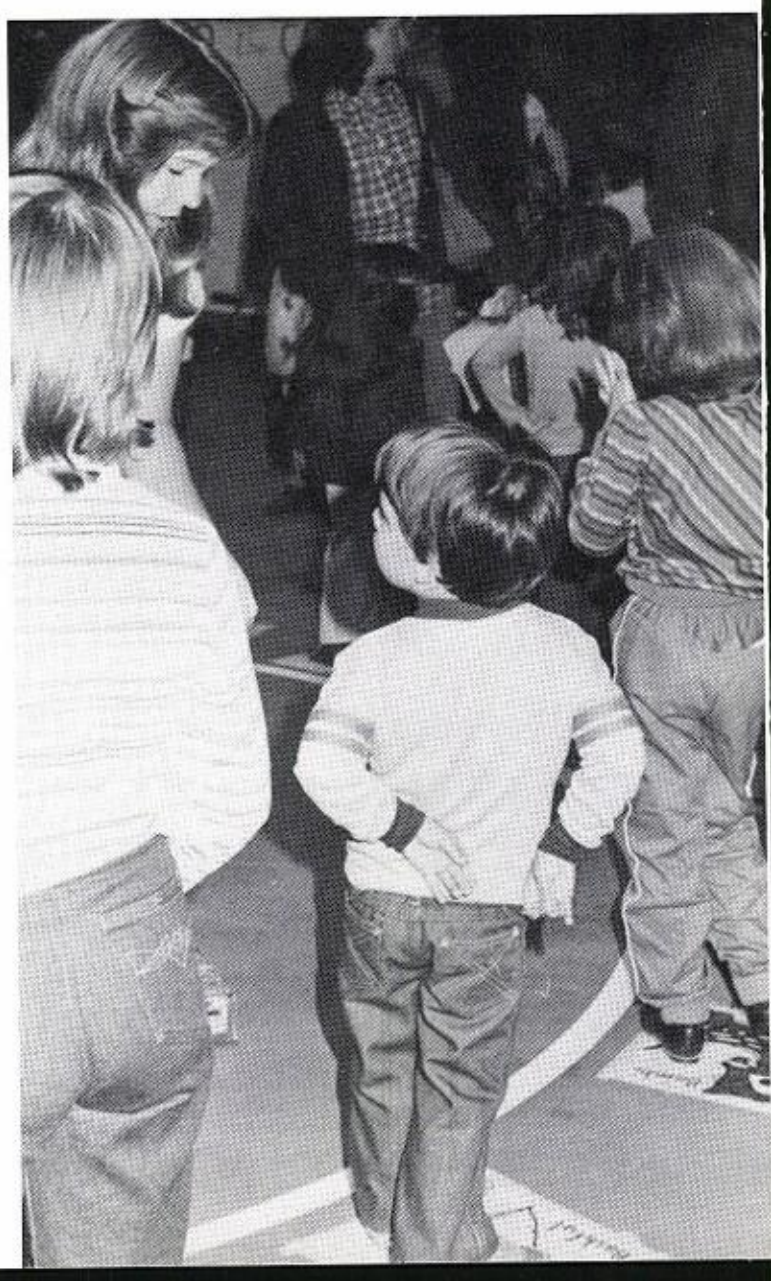
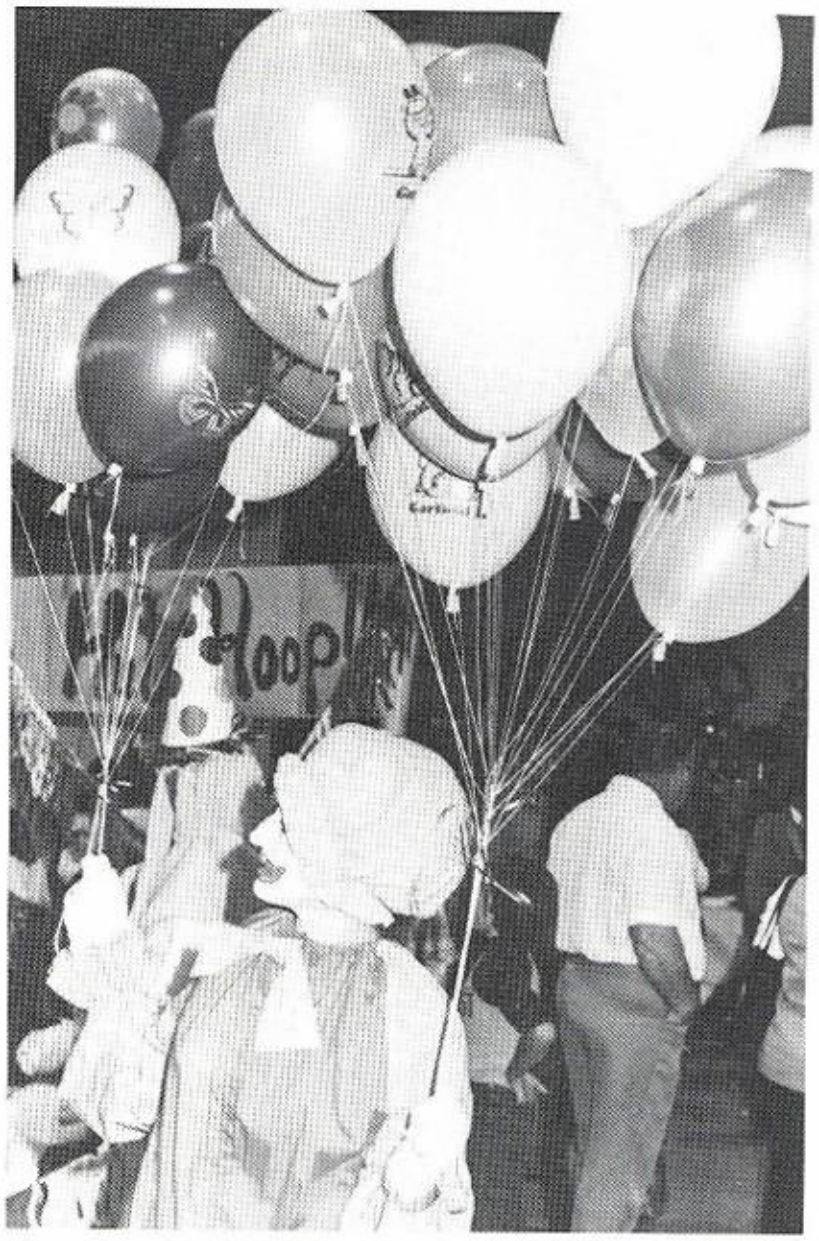
FALL





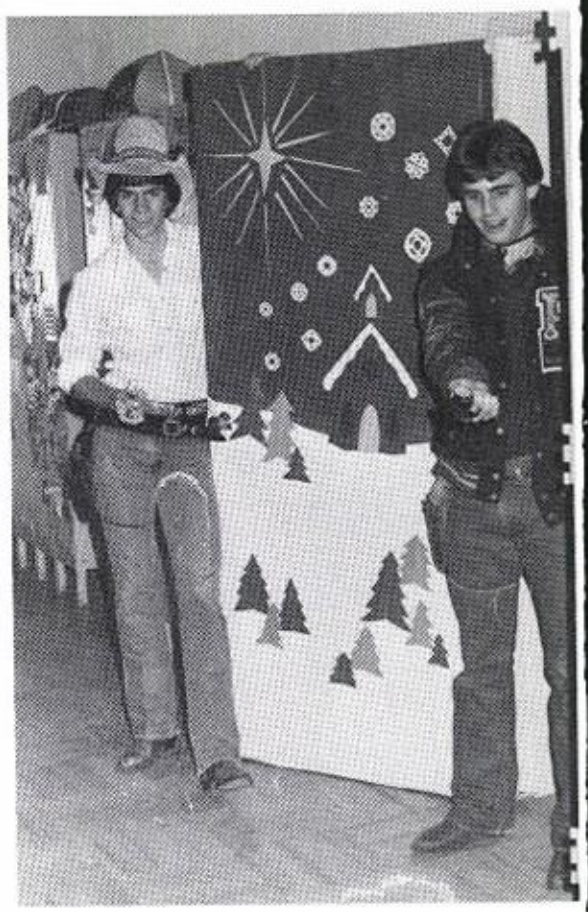


FESTIVAL

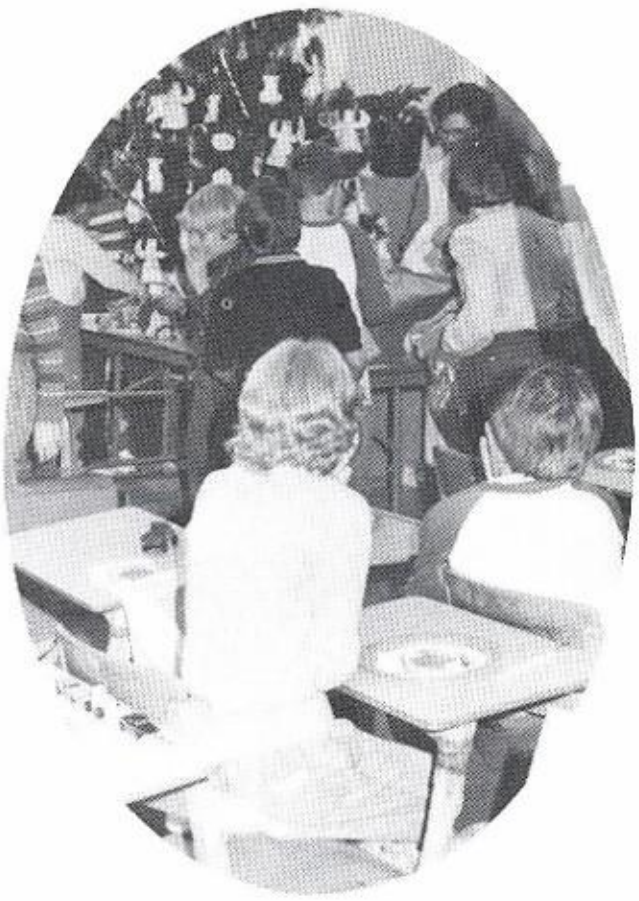


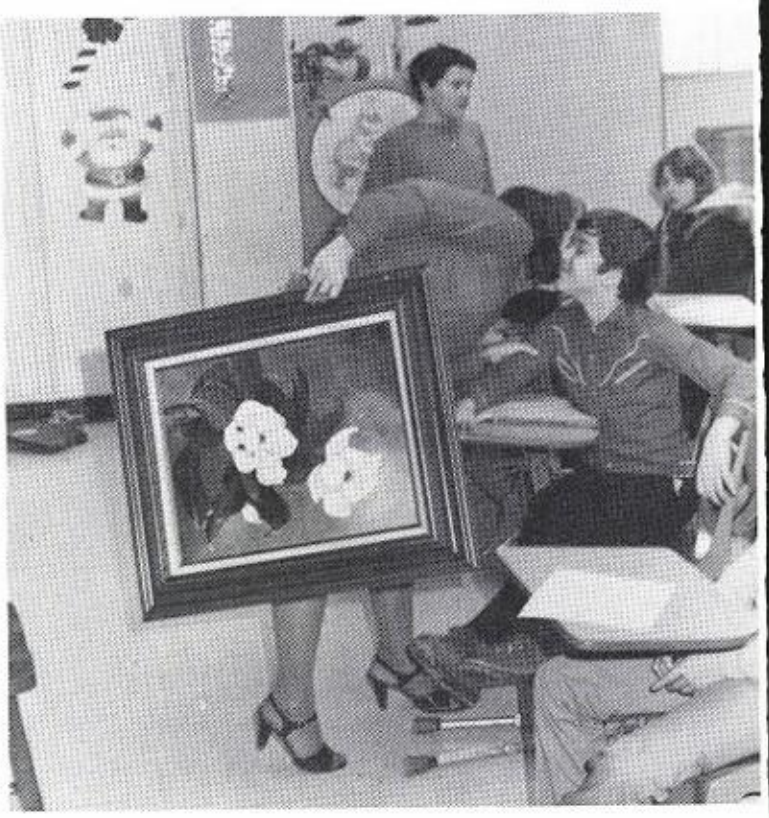
Bring on the Clowns — and E.T., too! The Fall Festival in our Lucky 13th Year was paid a surprise visit by Bozo the Clown, who signed autographs for our young students while high school "bodyguards" helped direct the crowd. Face painting, the Car Smash and other events from past years remained popular, while the Car Raffle added new excitement to this year's event. The Junior Class sold fish suppers to feed the many visitors to the festival. In spite of the hard work, everyone enjoyed the evening, and the 1982-83 Fall Festival was tremendously successful!

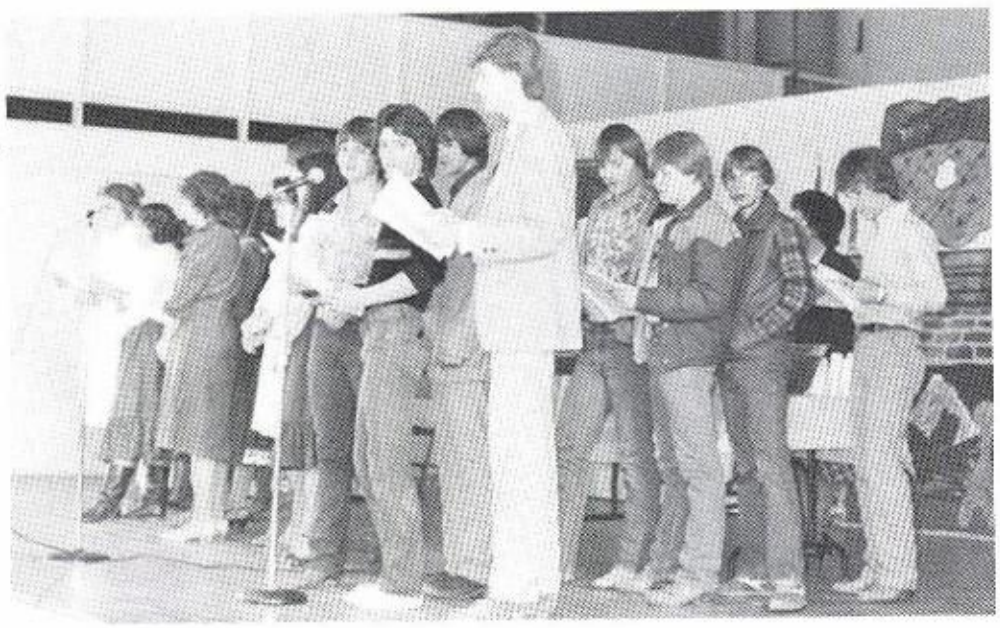
CHRISTMAS

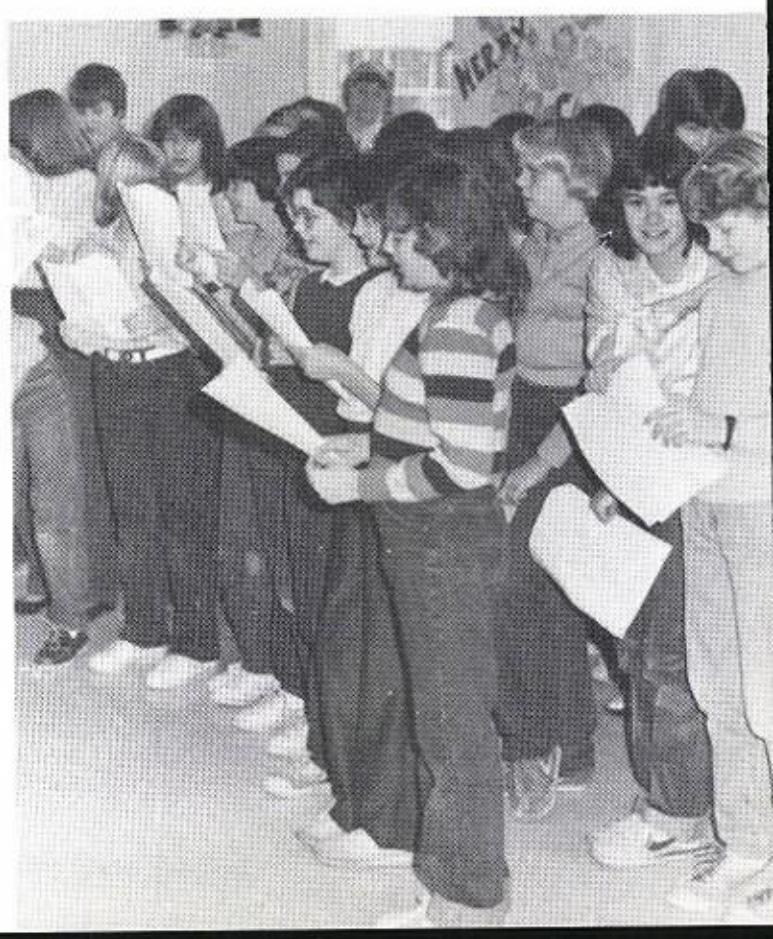


Prize-winning doors from Mrs. Doggett's, Mrs. Furch's and Mrs. Carter's homerooms. Mrs. Bryan's and Mrs. Pruett's rooms took elementary honors.

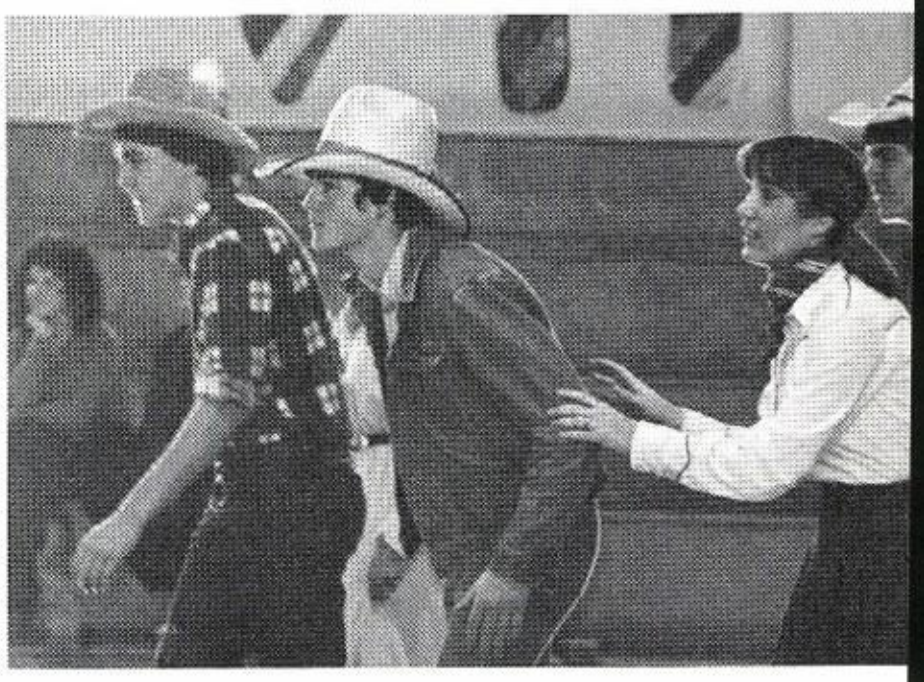






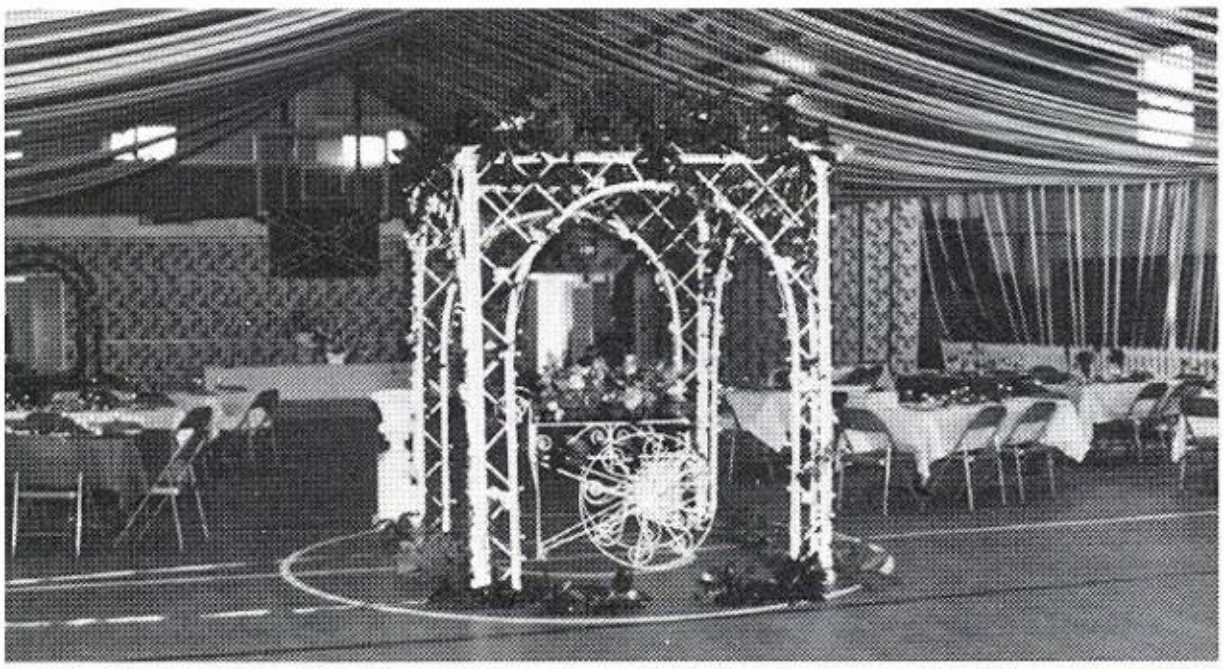


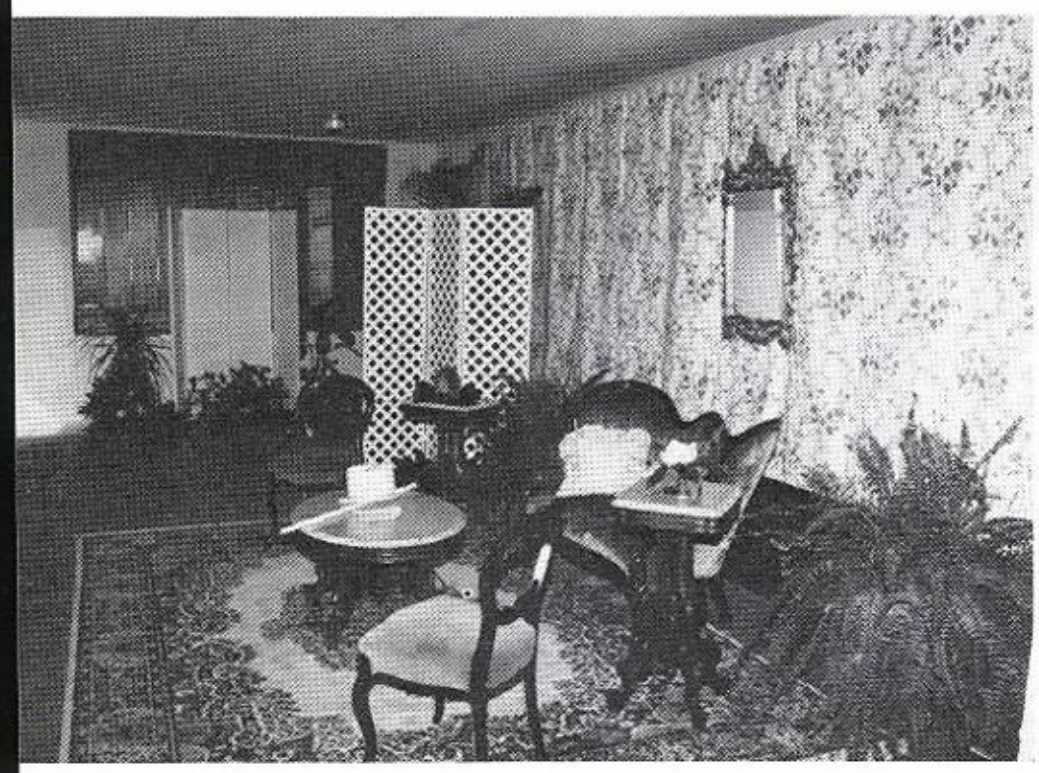
Music and wrapping paper filled the halls of PVA as every class celebrated the holidays.

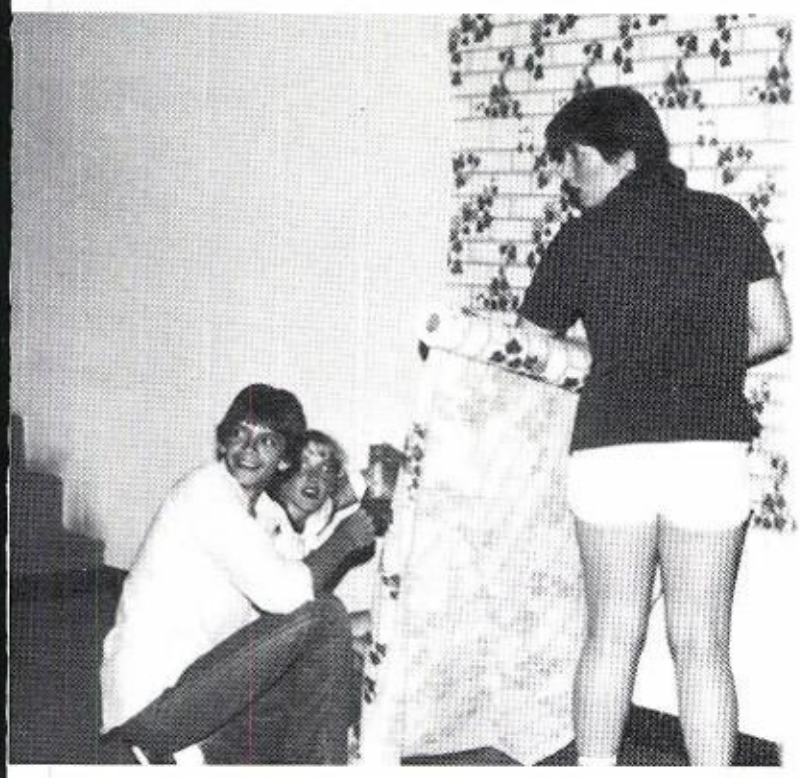


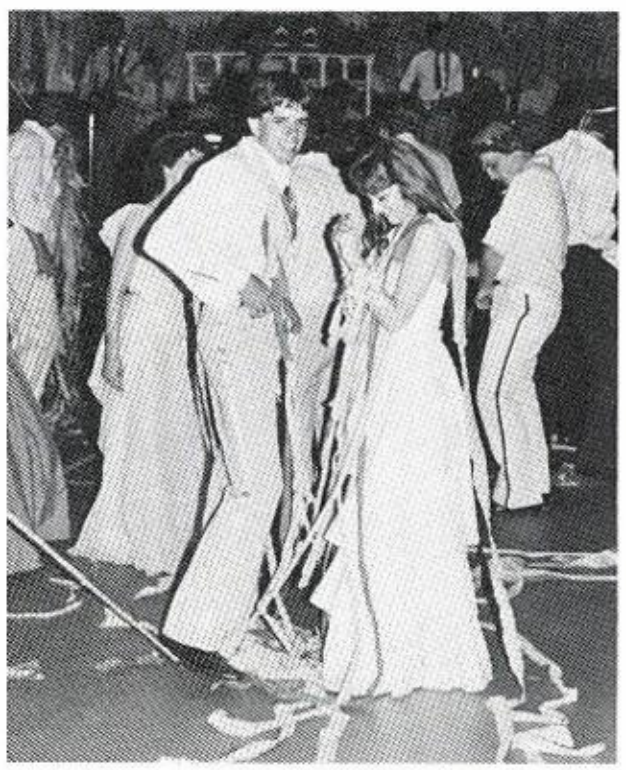
Christmas At The O.K. Corral pitted the "Good Guys" against the "Bad Guys" to rescue Santa from the evil clutches of the outlaws. Mrs. Carter's speech classes entertained the whole school at the Christmas assembly.

Junior Senior Prom









With a little bit of magic and a lot of hard work, the Juniors transformed the gym into an antebellum mansion with its formal garden on the basketball court. "Louisiana" kept the crowd on its feet dancing, and punch flowed freely from the fountain on the refreshment table.

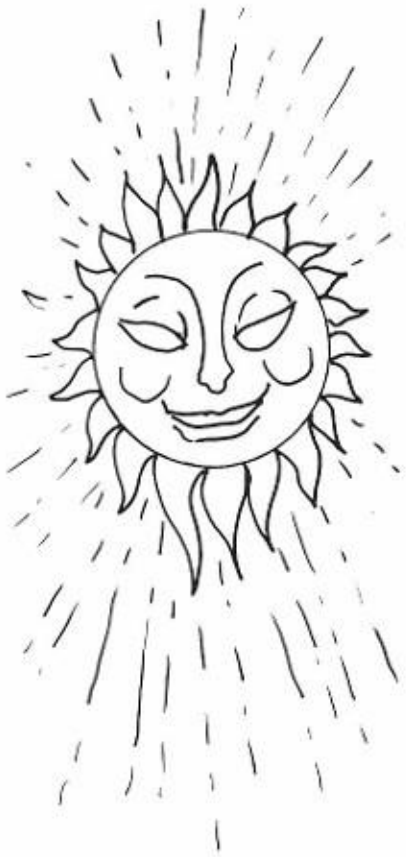
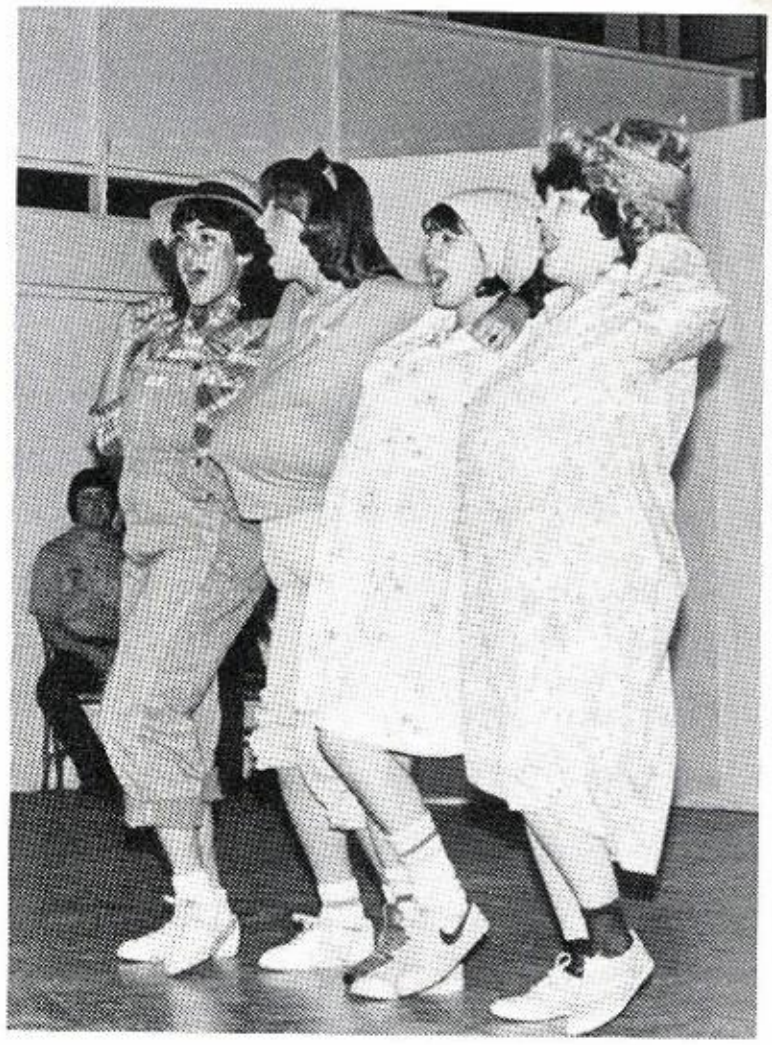
PLAYDAY 1983

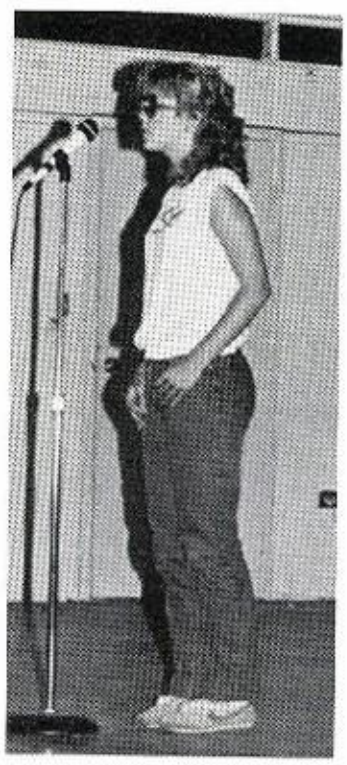


Each year in the first week of May, madness hits PVA — a madness called Playday. Classes are suspended, parents take over for teachers, and sack races replace math for the day. Wild relays, treacherous obstacle courses, an exciting faculty-student softball game, barbecued burgers and hot dogs — all are Playday specialties provided for students by the Parents Club.

The Gong Show



In 1983 numerous talented acts were gathered for the entertainment of the student body. Produced by Mrs. Carter and skillfully judged by a *DIS*-interested panel consisting of Dr. Bishop, Mrs. Meredith and Mrs. Futch, the Gong Show drew such class acts as the "Go-Fer" Girls, the Bluegrass Band (complete with Grandma Liz), and Swangin'. First place honors were claimed by the Seniors with their impressions of faculty members.

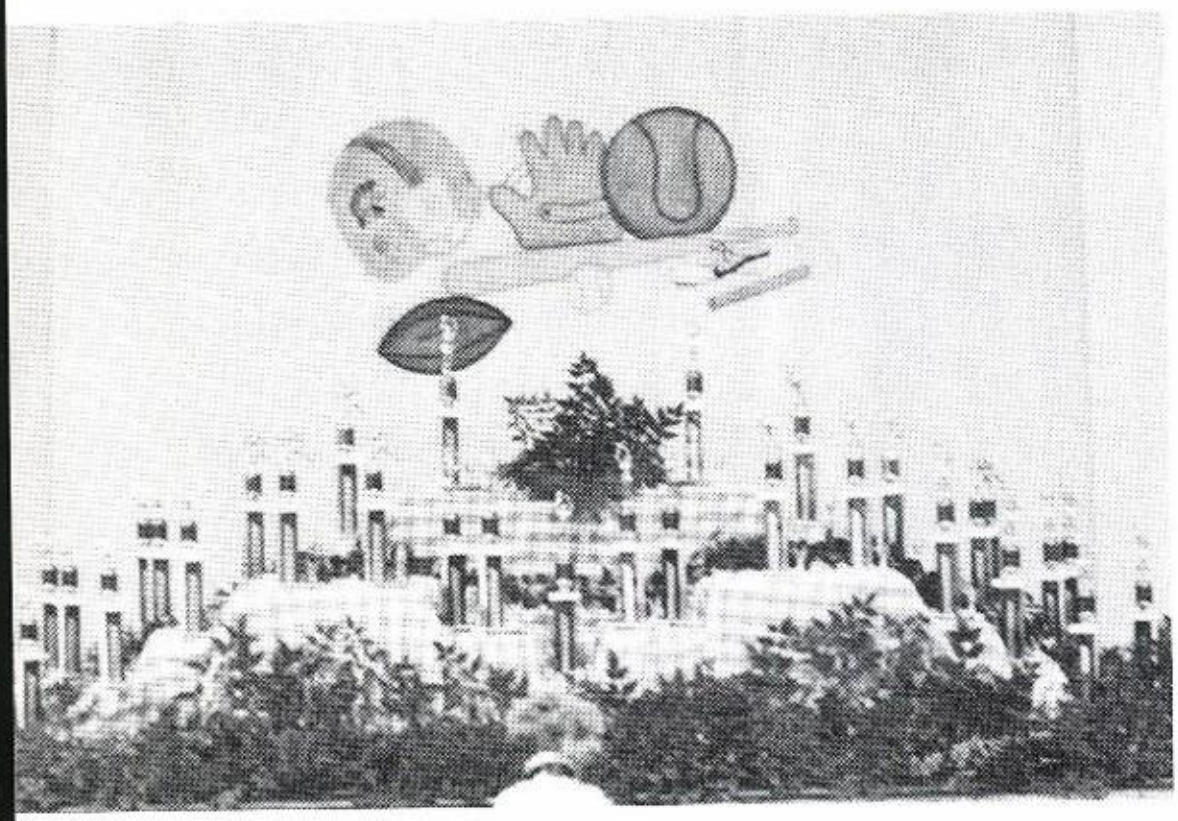


ALL SPORTS BANQUET

Each year Prairie View Academy honors its athletes at the All-Sports Banquet. Following PVA's successes in our Lucky Thirteenth Year, a large crowd attended the banquet to see the awards and to congratulate team members. Guest speaker for the event was Coach Tommy Eagles of Louisiana Tech. During the evening, special awards were given Coach Wimpy Fitch and Mr. and Mrs. Buddy McDuffie, devoted basketball fans.

The National Honor Society presents an award to athletes with the highest grade point average who participate in 4, 3, 2, and 1 sport. Winners in 1983 were:

Tommy Parker, 3 sports
Rhonda Atkins, 2 sports
Jennifer King, 1 sport



Array of trophies await presentation.

Good Luck, Class of 1983.

Walking under an open ladder is bad luck! Aside from the obvious danger of having something dropped on one's head, this superstition originated in the triangular shape formed by an open ladder, symbolic of the Trinity and the mystic number 3. To avert bad luck after walking under a ladder, one should cross two fingers until he sees a dog.

Having a "Lucky Penny" brings good fortune to the owner. Pennies are made of copper, and this superstition stems from the belief that wearing copper cures rheumatism and arthritis. Also, with a penny in the pocket, one is never completely "broke." Our advertisers are our "Lucky Pennies," and we thank them for helping make this yearbook possible.
